WHY HAVE THE AGUE AND FEVER? BRICE'S Ague and Fever Pillshave never failed, where directions were strictly fol-lowed, to effect a cure in from Fifteen to Thirty hours. They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant, and speediest remedy known, for the cure of Intermittent Pever. They have been tried in "Congestive Chills" of the worst form, and have invariably given relief, and cured the patients. They never affect the beain, as does Quinine; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box. Planters, Country Merchants, and Druggists will be supplied at \$8 per dozen boxes. Prepared and sold only by

He thereby solicits an examination of his Stock, from his friends and customers, (particularly those Physicians and Country Merchants who have heretofore purchased their supplies in Petersburg or Richmond, Va.,) assuring them, that no exertion on his part shall be wanted, in order to give perfect satisfac-

tion, as regards quality and prices.
