They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant and speediest remedy known, for the cure of Intermittent Fever. They have been tried in " Congestive Chills" of the worst form, and have invariably given relief, and cured the parients. They never affect the brain, as does Quinine ; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box.
