I'AM preparing for the Press a DIGEST of the RI ORTS of the DECISIONS of the HIGH COURT of ERRORS AND APPEALS of the State of Mississippi; of the Superior Court of Chancery; and of the old Supreme Court of that State. The work will be comprised in a volume of apwards of seven bundred pages, and will contain the substance of the Decisions reported in Walker's Reports; the seven volumes

of Howard's Reports; the seven volumes of Smedes & Marshall's Reports, (the 7th volume of which is not yet in print;) Freeman's Chancery Reports, and Smedes & Marshall's Chancery Reports. I shall not rely upon the Reporter's notes, but will

entirely satisfied with that of the Reporter. The typographical portion of the work will be exe-

cuted in the best style, by the press of Little & Brown, of Boston. The volume will be ready for delivery to subscribers in the course of the spring of 1847. The price will be \$6,00 payable on delivery.

The decisions in Mississippi upon questions of mercantile law, fraudulent conveyances, the various subjects of equitable cognizance, the application of the law of quo warranto to Bank charters, and many others of interest to the profession, and which have been at different times absorbing topics to the public, exhibit great research, learning and ability, and will well repay perusal.

The Electuary is an internal remedy, and will cure any case of Piles, either bleeding or blind, internal or external, and the only thing that will.
