A cure for life secured,

BY Dr. UPHAM'S Vegetable Elec-tuary, or internal remedy for the Piles, prepared by A. Upham, M. D., New York, a regular educated Physician, who devotes his attention almost entirely to this disease. The Electuary is an internal remedy, and will cure any case of Piles, either bleeding or blind, internal or external, and the only thing that will. It is very mild in its operation, and may be taken in cases of the most acute inflammation without danger. All external applications are in the highest degree disagreeable, inconvenient and offensive ; and from the very nature. of the disease, temporary in their effects. This medicine attacks the disease at its source ; and removing the cause, renders the cure certain and permanent .---In Inflammation, soreness, and Ulceration of the Stomach, Bowels, Kidneys, Bladder, severe Costiveness, and for the relief of Married Ladies, it is the best medicine ever discovered.
