WHY HAVE THE AGUE AND FEVER? BRICE'S Ague and Fever Pills have never failed, where directions were strictly followed, to effect a cure in from Fifteen to Thirty hours. They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant, and speediest remedy known, for the cure of Intermittent Fever. They have been tried in "Congestive Chills" of the worst form, and have invariably given relief, and cured the parients. They never affect the brain, as does Quinine ; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box. A cure for life secured, DY Dr. UPHAM'S Vegetable Elec-

turny, or internal remedy for the Piles, most entirely to this disease. The Electuary is an internal remedy, and will cure any case of Piles, either bleeding or blind, internal or external, and the only thing that will. It is very mild in its operation, and may be taken in cases of the most acute inflammation without danger. All external applications are in the highest degree disagreeable, inconvenient and offensive ; and from the very nature of the disease, temporary in their effects. This medicine attacks the disease at its source ; and removing the cause, renders the cure certain and permanent.-In Inflammation, soreness, and Ulceration of the Stomach, Bowels, Kidneys, Bladder, severe Costiveness, and for the relief of Married Ladies, it is the best medicine ever discovered.
