WHY HAVE THE AGUE AND FEVER?
PRICE'S Ague and Fever Pills have never failed, where directions were strictly followed, to effect a cure in from Fifteen to Thirty hours. They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant, and speediest remedy known, for the cure of intermittent Fever. They have been tried in "Consumptive Chills" of the worst form, and have invariably given relief, and cured the patients. They never affect the brain, as does Quinine; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box. Planters, Country Merchants, and Druggists will be supplied at \$8 per dozen boxes. Prepared and sold only by C. J. KENWORTHY & CO., Bank Street, Petersburg, Va. August 31, 1846. 71—

DR. H. F. PEERY'S Vermifuge or "Dead Shot," FOR WORMS.
A highly valuable preparation, capable, from the promptitude of its action, of clearing the system in a few hours, of every Worm.
THERE is perhaps no disease to which Children are exposed so common and fatal as Worms; they initiate the symptoms of almost every other complaint, and often produce the most alarming effects before they are suspected. The symptoms which are produced by the irritation of worms in the bowels, and which with some degree of certainty indicate their existence, are as follows:—Countenance pale, tongue whitely furred, grinding of the teeth, fetid breath, stomach hard and swelled, wasting of the flesh, sickness and pains in the stomach, bowels either too costive or too loose, great fretfulness, unnatural craving for clay, dirt or chalk, cholic, convulsions, &c., &c.
Numerous certificates of the value and usefulness of this preparation are almost daily received.
The following is from the Rev. W. B. Winton, a distinguished preacher of the Methodist Church, Abingdon, Va., May 12, 1843.
I do hereby certify, that I have used Dr. Peery's Vermifuge in my family to the great satisfaction of myself and relief of my children. It is prompt in its action, and in one case removed a large number of worms in three or four hours after it was given to the child. I am satisfied that as a Vermifuge it is superior to any that I have ever used.
Newbern, N. C., May 23d, 1844.
Dear Sir—I have been anxiously looking for another supply of your "Dead Shot Vermifuge," as I have not a single vial left. There are constant applications for the medicine, and I should be pleased to supply the demand. It has proved itself, so far as I am able to judge, to be a positive specific, and no humbug. Please inform me by return mail, how soon you can furnish me with another supply.
Truly yours, J. A. LOGAN.
Price 25 cents per vial.
Prepared by Dr. H. F. PEERY, and sold wholesale and retail by A. B. & D. SANDS, Druggists, 100 Fulton street, corner of William, New York.
Sold also by PASCOE & JOHNSON, Raleigh, N. Carolina, and by Druggists generally throughout the United States.
