WHY HAVE THE AGUE AND FEVER? DRICE'S Ague and Fever Pillshave never failed, where directions were strictly folowed, to effect a cure in from Fifteen to Thirty hours. They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant, and speedlest remedy known, for the cure of Intermittent Pever. They have been tried in "Congestive Chills" of the worst form, and have invariably given relief, and cured the patients. They never affect the brain, as does Quinine ; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box.
