DR. H. F. PEERY'S Vermifuge or "Dead Shot," FOR WORMS.

A highly valuable preparation, capable, from the promptitude of its action, of clearing the system in a few hours, of every Worm.

HERE is perhaps no disease to which Children are exposed so common and fatal as Worms; they imitate the symptoms of almost every other complaint, and often produce the most slarming effects before they are suspected. The symptoms which are produced by the irritation of worms in the bowels, and which with some degree of certainty inpale, tongue whitely furred, grinding of the teeth, fetid breath, stomach hard and swelled, wasting of the flesh, sickness and pains in the stomach, bowels either too costive or too loose, great fretfulness, unnatural craving for clay, dirt or chalk, cholic, convulmons, fits, &c. &c. Numerous certificates of the value and usefulness

of this preparation are almost daily received. The following is from the Rev. W. B. Winton, a distinguished preacher of the Methodist Church.

Abingdon, Va., May 12, 1843. I do hereby certify, that I have used Dr. Peery's Vermifuge in my family to the great satisfaction of invests and relief of my children. It is prompt in its profit scale action, and in one case removed a large number of worms in three or four hours after it was given to the child. I am satisfied that as a Vermifuge it is superior to any that I have ever used.

Newbern, N. C., May 23d, 1844. Dear Sir-I have been anxiously looking for another supply of your " Dead Shot Vermifuge," as I Esq. have not a single vial left. There are constant applications for the medicine, and I should be pleased to supply the demand. It has proved itself, so far as tried in this vicinity, to be a positive specific, and no humbug. Please inform me by return mail, how soon you can furnish me with another supply. Truly yours, J. A. LOGAN.

A Cure for Life Secured. DR. HPHAM'S VEGETABLE ELECTUARY, OR INTERNAL MEMEDY FOR THE PILES. REPARED BY A. UPHAM, New York. regularly educated Physician, who devotes his attention almost entirely to this disease. No mineral can be detected in the composition, nor any other article that can be directly or indirectly deleterious. The remedy was invented by Dr. Upham after he left College. NEW YORK CERTIFICATE. MESSRS. WYATT & KETCHAM-Gents. : For several years past I have been troubled with Piles, a very costive state of the bowels, indigestion and weakness of the system. But my complaint not being so severe as to disable me from business, and a dread I had of physicians and patent medicines, that until this Spring I never used any medicine or applied to a physician for relief. The Piles then being so severe that I allowed several operations to be performed, without any benefit.
