WHY HAVE THE AGUE AND FEVER?

PRICE'S Ague and Fever Pills have never failed, where directions were strictly followed, to effect a cure in from fifteen to thirty hours. They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant, and most speedy remedy known, for the cure of Intermittent Fever. They have been tried in "Constantine Chills" of the worst form, and have invariably given relief, and cured the patients. They never affect the brain, as does Quinine; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box. Planters, Country Merchants, and Druggists will be supplied at \$8 per dozen boxes. Prepared and sold only by
