FOR SALE.
OFFER for Sale, the Tract of LAND, containing from 12 to 1400 Acres, within five miles of Gaston, in a mile and a half of the River on one side, and in a mile of the Gaston and Raleigh Rail Road on the other. This land combines many advantages, its proximity to the River and Rail Road affords every advantage of getting speedily to a market; but what renders it still more desirable is, that there cannot be found a healthier situation. The buildings upon it are all comfortable, and but lately repaired. I invite the attention of gentlemen residing in the unhealthy districts of the State to it, with the assurance that I will sell it upon the most reasonable and accommodating terms. Should not succeed in finding a purchaser, previous to the 15th of November, it will then be offered at Public Sale.
At the same time, I shall offer for sale from 20 to 25 valuable Negroes, which I took great pains in selecting for my own use. Expecting to be absent from the State, for a month or two, the Land and Negroes can be shown by Mr. HARRIS, who will be in it in my absence, or by Mr. NAT'L. EDWARDS, residing near to it.

A bounty of TWELVE DOLLARS will be paid to each recruit enlisted for the Artillery, Infantry or mounted regiments: Also, ONE HUNDRED AND SIXTY ACRES OF LAND, or \$100, on being honorably discharged.
Besides the monthly pay, above stated, one ration per day is allowed every soldier, which is amply sufficient for his subsistence—also, a large supply of comfortable and genteel clothing. Good quarters and fuel are at all times furnished; and every attention will be paid to making those men who may enlist, and are determined to serve their country in good faith, comfortable and contented with their situation. The best medical attendance is always provided for the sick soldier; and no deduction of pay is made during the period he is unable to perform his duty. Should the soldier be disabled in the line of his duty, the laws provide a pension for him.
By the above it is seen that the pay and allowances are respectable, and that, with prudence and economy, the monthly pay of the soldier may be laid up—as everything requisite for his comfort and convenience is furnished by the Government, including his sugar and coffee. The prudent soldier, therefore, may readily save from \$40 to \$100 during his enlistment of FIVE YEARS; and at the expiration of the term, he can, if he chooses, purchase a small farm in any of the Western States, and there settle himself comfortably on his own land, for the rest of his life.
The sum of TWO DOLLARS will be paid to any citizen, non-commissioned officer or soldier, who shall bring to the rendezvous an able-bodied recruit, who shall be regularly enlisted. The citizen should present his recruit to the Lieutenant or Captain, and not to the Recruiting Sergeants.
