OFFER for Sale, the Tract of LAND. on which I reside in the County of Halifax, containing from 12 to 1400 Acres, within five miles of Gaston, in a mile and a half of the River on one side, and in a mile of the Gaston and Raleigh Rail Road on the other. This land combines many advantages, its presumity to the River and Rait Road affords every advantage of getting speedily to a market; but what renders it still more desirable is, that there cannot be found a healthler situation . The buildings upon it are all comfortable, and but lately repaired I invite the attention of gentlemen residing in the unitealthy districts of the State to it, with the assurance that I will sell it upon the most reasonable and scommodating terms. Should I not succeed in finding a purchaser, previous to the 15th of November. it will then be offered at Public Sules

At the same time, I shall offer for sale from 20 25 valuable Negroes, which I took great pains in selecting for my own use. Expecting to be absent from the State, for a month or two, the Land and Negroes can be shown by Mr Hannes, who will be Plaid and Jaconet Muslims, on it in my absence, or by Mr. Nara L. A bounty of TWELVE DOLLARS will be paid to each recruit entisted for the Artillery, Infantry or ACRES OF LAND, or \$100, on being honorably discharged.

Besides the monthly pay, above stated, one ration per day is allowed every soldier, which is amply sufncient for his subsistence—also, a large supply of comfortable and genteel cinthing. Good quarters and fuel are at all times furnished; and every attenton will be pa d to making those men who may enlist, and are determined to serve their country in good faith, comfortable and contented with their situation. The best medical attendance is always pro-vided for the sick soldier; and no deduction of pay is made during the period he is unable to peform his duty. Should the soldier be disabled in the line of

his duty, the laws provide a pension for him.

By the above it is seen that the pay and allowances are respectable, and that, with prudence and economy, the monthly pay of the soldier may be laid np-as everything requisite for his comfort and convenience is furnished by the Government, including his sugar and coffee. The prodent soldier, therefore, may readily save from \$420 to \$1020 during his enlistment of Five years; and at the expiration of the by term, he can, if he chooses, purchase a small farm in any of the Western States, and there settle himself comfortably on his own land, for the rest of his
