## RALEIGH Classical, Mathematical and Boots, Shoes and Brogans,

Raleig

THE year is divided into two Sessions of five months each ; the first Session, beginning on the first of January, and the second Session, on the first of July.

It is the design of the Preceptor, that this Institution shall not be surpassed, is the advantages afford-ed for acquiring a thorough English, Classical and Mathematical education.

A majority of the Students study the Classics, with the intention of entering some University.ness, and as successor to the late JOBN VAUGHAN, Esq. with an extensive European connection, and a direct personal knowledge of the principal Wine dis Studies as extensive as possible, a scientific Bookkeeper has been engaged. And although Classical Students may suppose, that they will never become Accountants, yet a knowledge of this Science is necessary to men in all kinds of business; but, more especially to those, who expect to engage in Mercantile pursuits, or to become practical business men.
