Nag's Head Hotel.

THIS valuable Property will be sold, if not disposed of previously at private sale, in the town of Elizabeth City, at Public Sale, on the 6th of March next. The main building is 120 feet long, 24 stories high. There are besides 10 other buildings, including an Ice House, with 65 acres of land attached. The advantages of this place as a summer retreat are too well known, to be repeated in extenso here. It is sufficient to state that the situation is healthy; it is immediately contiguous to the Atlantic Ocean. The sea-bathing is very fine—and the Table can be furnished with the finest sea-fish, crabs, oysters, &c. The only other recommendation which is deemed necessary to give, is to state the fact that, since the first opening of the Hotel, 6 years ago, it has had more visitors than could be accommodated. During the season, Packeters run from Elizabeth City, Edenton, Plymouth, Hertford, and numerous other places. For particulars enquire of—

New Livery Stable.

THE Subscribers, having just erected a large, substantial, and spacious Stable with every stall in the very heart of the City, would respectfully inform the public, that they are now prepared, at all hours, to convey persons to, or from any part of the State. They have procured steady, polite and skilful Drivers, and intend keeping for hire, Hacks, Buggies, Sulkeys, Saddle and Harness Horses. Their acquaintances, and the travelling community, generally, are requested to lend them their influence, as they are determined to spare neither pains or expense to give satisfaction. Application for Conveyances can be made either at the Stable, in the rear of the MARKET HOUSE, or at the MANSION HOUSE, next door to the Bank of Cape Fear.
Horses will be boarded by the day, week, month or year, on the most moderate terms. The Outlets are experienced and faithful, and will leave no room for complaint.
Drivers will find this the most central Stable in the City, and the most convenient for effecting sales, and they will always find ample accommodation for any number of Horses, however large.
The Subscribers hope that, in this new enterprise, they will be sustained by a generous public.

RALEIGH
Classical, Mathematical and
MILITARY ACADEMY.

THE Year is divided into two Sessions of five months each; the first Session, beginning on the first of January, and the second Session, on the first of July.
It is the design of the Preceptor, that this Institution shall not be surpassed, in the advantages afforded for acquiring a thorough English, Classical and Mathematical education.
A majority of the Students study the Classics, with the intention of entering some University.—But those, whose means are limited, can acquire a full Collegiate course, both in the Classics and Mathematics. With the design of making the course of Studies as extensive as possible, a scientific Book-keeper has been engaged. And although Classical Students may suppose, that they will never become Accountants, yet a knowledge of this Science is necessary to men in all kinds of business; but, more especially to those, who expect to engage in Mercantile pursuits, or to become practical business men.

INSTRUCTORS.
CLASSICAL DEPARTMENT:
J. M. LOVEJOY, Preceptor.
R. H. MASON, Assistant.
MATHEMATICAL AND MILITARY DEPARTMENT, CIVIL ENGINEERING & TOPOGRAPHICAL DRAWING:

Juvenile Studies, Spelling, Reading and Writing, 12 00
For any other study, an additional charge of \$3. For Military Tactics, no charge.
A wing is about to be attached to the Academy, for the Juvenile Department, which will be finished by the first of January. The Teacher of this department will wholly devote his attention to the instruction of Boys, whom Parents or Guardians may consider so young, that they cannot, or will not, be well taught by men, who are giving instruction to older Students in the higher branches of learning. And as Pupils beginning the rudiments of an English Education, require more time and care on the part of a Teacher, than they do in more advanced studies, this Teacher will only instruct in Reading, Writing and Spelling, and the elementary principles of those branches, preparatory for the other departments of the Academy. They will be superintended by the Principal, and will not be allowed to mingle with the others, unless it is desired, nor required to drill.
To prevent unnecessary expenses, Pocket-money should be deposited with the Principal.

The New Year.

A FRIEND SAID TO US THE OTHER DAY, "It seems to me that all the Ladies go to the Ladies' Saloon to buy Shoes for their Children; and if they want Shoes for themselves they must be bought from the Ladies' Saloon or they are not satisfied."
If they want a pair of Gaiter Boots, and particularly if they want something new and handsome then as well as ever, it must come from the Ladies' Saloon."
"How is it Mr. Addington, that your establishment is so popular among the Ladies?"
Why my friend, our Saloon is well situated on the fashionable side of the great "Broadway" of the City of Norfolk (amidst the Market Carts and noise and confusion amidst the stores on the Square, which is very disagreeable to Ladies) the Ladies can be better suited and better accommodated here than elsewhere—they can get at once every desirable article for themselves and Children, which with the attention they receive, must and will command the favors of the Ladies.
"Well Mr. Addington, the neat appearance of your establishment, its location, and your large assortment of Fancy Boots and Shoes must contribute to the merits of your Saloon. I have a large family to buy Shoes for, and I will hereafter give you our patronage."
I shall also take great pleasure in recommending the Ladies Saloon to others.
The above instance is one of almost daily occurrence we now meet with in the transaction of our business—we are pleased with any manifestation which the public may choose to make of the satisfaction they derive in trading with us; and we add our assurance that no effort shall be spared on our part to please every Lady and Gentleman who will call at the Ladies Saloon.
Our assortment this year shall be more varied, if possible, than it has been heretofore; so that every Lady, Gentleman, Child and Servant, shall find the kind of Boots and Shoes at the Ladies Saloon which they may want. Now if there are any persons disposed to turn over a new leaf and try to do better this year than they did last in a pecuniary point of view, they are ALL MOST RESPECTFULLY INVITED to deal with us this year at our popular and fashionable Ladies' Saloon.
Such persons as prefer it can have a Pass Book for their own use, in which can be entered all the purchases for the family, and thus save the trouble of writing orders to Servants—and need settle their account only once in 6 months.
We hope to get a large number of families this year added to our already large list of patrons, who deal altogether at the Ladies Saloon on Main street, near Walter's City Hotel.
