New York, Dec. 26, 1847. Messrs Wyatt und Ketcham : Gentlemen-Un derstanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last. I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice. believe, perfectly cured. The Horses will be boarded by the day, week, month or last three years of that time my sufferings defy deyear, on the most moderate terms. The Ostlers are scription. I was confined to bed unable to help myexperienced and faithful, and will leave no room for self, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a Drovers will find this the most central Stable in time before I commenced using Dr. Upham's Electhe City, and the most convenient for effecting sales, | tuary, I was entirely speechless, and my burial clothes

were made. But under the beneficent mercies of Presidence, and the use of Dr. Upham's Electuary, though an old MAN, I have the pleasure of stating the fact to the public that my health is now good and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.
