UNITED STATES MARSHALL'S OFFICE,

Messrs Wyant and Kitchen, Gentlemen: Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Elettuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!
MOUNT WASHINGTON, Berkshire Co., Mass.
Nov. 29th, 1847.
Messrs. WYANT & KITCHEN, Gentlemen: For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolepsis of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Elettuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Elettuary, though an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Elettuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.

1848. The New Year.

A FRIEND SAID TO US THE OTHER DAY,

"It seems to me that all the Ladies go to the Ladies' Saloon to buy Shoes for their Children; and if they want Shoes for themselves they must be bought from the Ladies' Saloon or they are not satisfied.
If they want a pair of Gaiter Boots, and particularly if they want something new and handsome then as well as ever, it must come from the Ladies' Saloon."
How is it Mr. Addington, that your establishment is so popular among the Ladies?
Why my friend, our Saloon is well situated on the fashionable side of the great "Broadway" of the City of Norfolk (part from the Market Carriage and confusion amidst the stores on the Square, which is very disagreeable to Ladies). The Ladies can be better suited and better accommodated here than elsewhere—they can get at once every desirable article for themselves and Children; with the attention they receive, must and will command the favors of the Ladies.

Well Mr. Addington, the neat appearance of your establishment, its location, and your large assortment of Fancy Boots and Shoes must contribute to the merits of your Saloon. I have a large family to buy Shoes for, and I will hereafter give you our patronage. I shall also take great pleasure in recommending the Ladies Saloon to others.
The above instance is one of almost daily occurrence we now meet with in the transaction of our business—we are pleased with any manifestation which the public make to make us the satisfaction they derive in trading with us; and we add our assurance that no effort shall be spared on our part to please every Lady and Gentleman who will call at the Ladies Saloon.

Our assortment this year shall be more varied, if possible, than it has been heretofore; so that every Lady, Gentleman, Child and Servant, shall find the kind of Boots and Shoes at the Ladies Saloon which they may want. Now if there are any persons disposed to turn over a new leaf and try to do better this year than they did last in a pecuniary point of view they are ALL MOST RESPECTFULLY INVITED to deal with us this year at our popular and fashionable Ladies' Saloon.
Such persons as prefer it can have a Pass Book for their own use, in which can be entered all the purchases for the family, and thus save the trouble of writing orders to Servants—and need settle their account only once in 6 months.
We hope to get a large number of families this year added to our already large list of patrons, who deal altogether at the Ladies Saloon on Main street, near Waiter's City Hotel.

Valuable Land and Mill FOR SALE.
THE Subscriber being desirous to remove South, offers for Sale, the Tract of Land on which he now resides, situated six miles North of Louisa, in Franklin County, containing 1100 Acres, 350 or 400 of which is in wood. The cleared land is highly improved, with good fences. There are two Creeks running through the Tract, which makes a great deal of Low Grounds and Meadow Land.
There are fine Clover Lows, two or three fine Apple Orchards, and one Peach Orchard. The buildings consist of a large two story dwelling, and all convenient Out houses, with a Spring of never failing Water near the House. Also, about half a mile from the dwelling is a small settlement, with several very good houses upon it, barns, &c.
The Land is well adapted to the production of tobacco, Cotton, and all kinds of Grain—the Woodland is convenient to all portions of the Tract—the location is very elevated, and is not surpassed by any in the County for health. This is one of the best Tracts of high Land in the County.
ALSO, adjacent to this Tract is one containing 100 Acres, (half of which is woods), on which is a very fine Manufacturing MILL, with a twenty foot over-shot Water Wheel and Granite Dam. The Mill House is very large, and rests on Granite Walls and pillars. The Mill has all the usual apparatus of Manufacturing Mills, and pays a very handsome per cent. per annum upon \$5,000. It is one of the best Mill Sites in the State, with a never failing stream. Also, on this Tract near the Mill, there is a new single story Frame Dwelling, with out houses, &c.
The Subscriber will sell the two Tracts and Mill together, at a very great sacrifice. Any person wishing to purchase, will please apply to me, or my Father.
