WYATT & KETCHAN Gents-For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the howels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description I was confined to bed unable to help myself, and at last given up by my physicians and friends in despuir of ever gaining my health ; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an OLD MAR, I have the pleasure of stating the fact to the public that my health is now good. and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels ; and if they

UNITED STATES MARSHALL'S OFFICE,) New York, Dec 26, 1847. Messrs Wyatt und Ketcham : Gentlemen-Un derstanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless But, about the first of September last I was prevailed upon by a friend to make a trial of the above named medicine ; I took his advice, and rejoice to say that I am not only relieved, but as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be atflicted with that annoying and dangerous disease. Very respectfully

If they want a pair of Gaiter Boots, and particularly if they want something new and handsome then as well as ever, it must come from the Ladies' Sa-

"How is it Mr. Addington, that your establishment is so popular among the hadies."

Why my friend, our Saloon is well situated on the fashiouable side of the great "Broadway" of the City of Norfolk (apart from the Market Carts and noise and confusion amidst the stores on the Square, which is very disagreeable to Ladies.) The Ladies can be better suited and better accommodated here than elsewhere-they can get at once every desirable article for themselves and Children, which with the attention they receive, must and will command the

favors of the Ladies. "Well Mr. Addington, the neat appearance of your establishment, its location, and your large assortment of Fancy Boots and Shoes must contribate to the merits of your Saloon I have a large family to buy Shoes for, and I will hereafter give you to the wants and teste of this community, and to our patronage. I shall also take great pleasure in recommending the Ladies Saloon to others.'

The above instance is one of almost daily occurrence we now meet with in the transaction of our business-we are pleased with any manifestation which the public may choose to make of the satisfaction they derive in trading with us; and we add our assurance that no effort shall be spared on our part to please every Lady and Gentleman who will call at the Ladies Saloon.

Our assortment this year shall be more varied, if possible, than it has been heretofore ; so that every Lady, Gentleman, Child and Servant, shall find the kind of Boots and Shoes at the Ladies Saloon which they may want. Now if there are any persons disposed to turn over a new leaf and try to do better this year than they did last in a pecuniary point of view THEY ARE ALL MOST RESPECTFULLY INVITED to deal with us this year at our popular and fashionable Ladies' Saloon

HIS valuable Property will be sold, if not disposed of previously at private sale, in the town of Elizaneth City, at Public Sale, on the 6th of March next. The main building is 120 feet long, 21 by stories high. There are besides 10 other buildings, including an Ice House, with 65 acres of land attached. The advantages of this place as a summer retreat are too well known, to be repeated in extenso here. It is sufficient to state that the situation is healthy ; it is immediately contiguous to the Atlantic Ocean. The sea-bathing is very fine-and the Table can be furnished with the finest sea-fish, crabs, eysters, &c. The only other recommendation which is deemed necessary to give, is to state the fact that, since the first opening of the Hotel, 6 years ago, it has had more visiters than could be accommodated. During the season, Packets run from Elizabeth City, Edenton, Plymouth, Hertford, and numerous other places. For particulars enquire of M. RUSSEL, OR
