## Nag's Head Hotel.

March next. The main building is 120 feet long, 24 stories high. There are besides 10 other buildings, including an Ice House, with 65 acres of land attached. The advantages of this place as a summer retreat are too well known, to be repeated in extenso here. It is sufficient to state that the situation is healthy; it is immediately contiguous to the Atlantic Ocean. The sea-bathing is very fine-and the eysters, &c. The only other recommendation which is deemed necessary to give, is to state the fact that, since the first opening of the Hotel, 6 years ago, it has had more visiters than could be accommodated. During the season, Packets run from Elizabeth City. Edenton, Plymouth, Hertford, and numerous other places. For particulars enquire of

Voluntary Certificates. UNITED STATES MARSHALL'S OFFICE, ?

Messrs Wyatt und Ketcham : Gentlemen-Un derstanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless But, about the first of September last. I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but as believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease. Very respectfully,

Your ob't servant, ELY MOORE.

REMARKABLE CURE OF PILES-THIRTY YEARS STANDING!!

Nov. 29th, 1847.

Providence, and the use of Dr. Upham's Electuary, though an old MAS. I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case. Yours, with the utmost expression of thankfulness,

CORNELIUS SPUR.

"It seems to me that all the Ladies go to the Ladies' Saloon to buy Shoes for their Children ; and if they want Shoes for themselves they must be bought from the Ladies' Saloon or they are not satisfied.

If they want a pair of Gaiter Boots, and particularly if they want something new and handsome then as well as ever, it must come from the Ladies' Sa-

" How is it Mr. Addington, that your establishment is so popular among the Ladies."

Why my friend, our Saloon is well situated on the fashionable side of the great "Broadway" of the City of Norfolk (apart from the Market Carts and noise and confusion amidst the stores on the Square, which is very disagreeable to Ladies.) The Ladies can be better spited and better accommodated here than elsewhere-they can get at once every desirable article for themselves and Children, which with the favors of the Ladies.

"Well Mr. Addington, the neat appearance of your establishment, its location, and your large assortment of Fancy Boots and Shoes must contribute to the merits of your Saloon I have a large family to buy Shoes for, and I will hereafter give you to the wants and taste of this community, and to our patronage. I shall also take great pleasure in which he would most respectfully invite the public recommending the Ladies Saloon to others.'

The above instance is one of almost daily occurrence we now meet with in the transaction of our business-we are pleased with any manifestation HE Firm, heretofore existing in this City under which the public may choose to make of the satisfaction they derive in trading with us; and we add our assurance that no effort shall be spared on our part to please every Lady and Gentleman who will call at the Ladies Saloon.

Our assortment this year shall be more varied, if possible, than it has been heretofore; so that every Lady, Gentleman, Child and Servant, shall find the kind of Boots and Shoes at the Ladies Saloon which they may want. Now if there are any persons disposed to turn over a new leaf and try to do better this year than they did last in a pecuniary point of view THEY ARE ALL MOST RESPECTFULLY INVITED to deal with us this year at our popular and fashionable Ladies' Saloon. Such persons as prefer it can have a Pass Book for
