### 1848. The New Year.

A FRIEND SAID TO US THE OTHER DAY "It seems to me that all the Ladies go to the Ladies' Saloon to buy

Shoes for their Children; and if they want Shoes for themselves they must be bought from the Ladies' Saloon or they are new edition, with illustrations. If they want a pair of Guiter Boots, and particu-

arly if they want something new and handsome then as well as ever, it must come from the Ladies' Sa

" How is it Mr. Addington, that your establishment is so popular among the Ladies."

Why my friend, our Saloon is well situated on the fashionable side of the great "Broadway" of the City of Norfolk (apart from the Market Carts and Applications for Insurance in Raleigh, or its vi- noise and confusion amidst the stores on the Square, which is very disagreeable to Ladies.) The Ladies can be better suited and better accommodated here than elsewhere-they can get at once every desirable article for themselves and Children, which with the attention they receive, must and will command the favors of the Ladies.

"Well Mr. Addington, the next appearance of your establishment, its location, and your large assortment of Fancy Boots and Shoes must contribute to the merits of your Saloon I have a large family to buy Shoes for, and I will hereafter give you our patrouage. I shall also take great pleasure in made style of Goods. Among the Ladies' Shoes. recommending the Ladies Saloon to others.'

The above instance is one of almost daily occurrence we now meet with in the transaction of our business—we are pleased with any manifestation which the public may choose to make of the satisfaction they derive in trading with us; and we add our assurance that no effort shall be spared on our part to please every Lady and Gentleman who will 12 50 call at the Ladies Saloon.

Our assortment this year shall be more varied, i 20 00 possible, than it has been heretofore; so that every Lady, Gentleman, Child and Servant, shall find the 10 00 kind of Boots and Shoes at the Ladies Saloon which they may want. Now if there are any persons disposed to turn over a new leaf and try to do better this year than they did last in a pecuniary point of view THEY ARE ALL MOST RESPECTFULLY INVITED to deal with us this year at our popular and fashiouable La-

The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles. (a Disease that resisted all former

Messrs Wyatt und Ketcham : Gentlemen-Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless But, about the first of September last. I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but as I believe, perfectly cured. YEARS STANDING!!

Nov. 29th, 1847. 5 MESSES. WYATT & KETCHAM : Gents-For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the howels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends and they will always find ample accommodation for in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burisl clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an elb MAR, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to price 8 cents each, with illustrations. For make known the virtues of Dr. Upham's Electuary, sale by and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.

Yours, with the utmost expression of thankfulness. CORNELIUS SPUR.
