IN THE WORLD. This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging,

sickening or debilitating the patient.

GREAT FALL AND WINTER MEDICINE. The great beauty and superiority of this Sarsaparilla over all other medicine is, while it eradicates diseases, it invigorates the body. It is one of the very best Fall and Winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,-000 cures of severe cases of diseases : at least 20,000 of these considered incurable.

More than 3,000 cases of Chronic Rheumatism ; 2,000 cases of Dyspepsia; 4,000 cases of General Debility and Want of En-

7,000 cases of the different Female Complaints;

2,000 cases of Scrofula ; 1,500 cases of the Liver Complaint;

3,500 cases of Disease of the Kidneys and Dropsy :

8.000 cases of consumption: And thousands of cases of diseases of the blood, viz : Ulcers, Erysipelas, Salt Rheum. Pimples on the Face, &c . dc., together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affec-

tions, &c., &c. This we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. VIx Buskirk, Esq., one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON! As it removed the cause of desease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child. RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give system, even when the limbs and bones are dreadfully swollen.

Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Coun. The following is an extract of a letter recived from him : Dr. Townsend-I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a Chronic, Rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sars-

CONSUMPTION CURED.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic flush, Night Sweats. Difficult or Profuse Expectoration. Pain in the side, &c., have been and can be cured

Dr. Townsend-Dear Sir: Nearly twenty years ago I took a violent cold, which settled on my lungs, and affected me severely indeed, finally, it became a constant backing cough, but not so severe as to prevent me from attending to my business; within the last few years it increased on me gradually. At last I became reduced-breathed with difficulty, and raised with my cough much bad matter, and for the last mine months previous to using your Sarsaparilla, had regular night sweats; indeed, my friends and myself supposed that I would die with the Consumption; but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying much better health than I have before in 26 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old had a very bad cough the whole of last Winter. We became very much alarmed on her account. While using the medicine. I gave her some of it, and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I ever saw. She was also full of little blotches: it took them away and her skin is smooth and fair now and I am satisfied she recovered her health from using your excellent med-

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckels and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexions-all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness. Leucorrhoa, or Whites, obstructed or difficult Menstruction, Incontinence of Urine, or involuntary discharge thereof, and for the general Prostration of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become rebust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of ures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend-My wife being greatly distressed by weakness and General Debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a hottle of your Extract of Sarsaparilla, and followed the directions you gave. In a short period it removed her for the benefits she received, I take pleasure in thus acknowledgeding it, and recommending it to the M D. MOORE.

TO MOTHERS AND MARRIED LADIES. This Extract of Sarsaparitla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that eritical period, "the turn of life," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of tife. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood. as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the diseases to which

women are subject. It braces the whole system, renews permanently the natural energies-by removing the impurities of the body-not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and

THREE CHILDREN. Dr Totonsend-Dear Sir : I have the pleasure to inform you that three of my children have been cured of the Scapfula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.

Yours, respectfully, ISAAC W. CRAIN, 106 Wooster-st. New York, March 1, 1847.

OPINIONS OF PHYSICIANS. Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union. This is to certify that we the undersigned, Physi cians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe to be one of the most valuable preparations in the market.

UNITED STATES OFFICER. Capt. G. W. McLean, one of the United States Marine Corps and member of the New Jersey Legislature, has kindly sent us the following certificate.

It tells its own story. Rahway, Jan. 25, 1847. A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla I have continued taking it, and find that I hnprove every day. I believe it saved my life, and would not be without it under any consideration. G. W. McLEAN.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic.

Bank Department, Albany, May 10, 1345. Dr. Townsend: Sir-I have been afflicted for several years with Dyspensia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heart-burn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. temporary relief-this entirely eradicates it from the | I tried the usual remedies, but they had little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found, my appetite restored, and the heart-burn entirely removed; and I would earnestly recommend the use of it to these who have been afflicted as I have been

HASTINGS' Compound Syrup of Naptha. CONSUMPTION AND ALL OTHER DISEASES OF THE LUNGS!

M. A. F. Harrison, 147 Greenwich Street, New York, SOLE AMERICAN AGENT.

THIS medicine has decided the dispute about the curability of Consumption; and satisfied the medical Faculty, and all who have used it, that Consumption and all afflictions of the lungs can not only be cured, but they are as easily and as simply cured as almost any of the disorders to which the human frame is liable. The operation of a single bottle-which costs but one dollar-is sufficient to satisfy any patient, if not altogether too far gone in the disease, of HE attention of gentlemen desirous of purchasthis fact :- and even a single dose gives evidence of its extraordinary influences, in arresting, and eradicating the malady, by the immediate relief which it affords. This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history and all its component parts to the world; not wishing to incur the responsibility of confining to himself (for the sake of profit) a secret which was calculated to do such universal good .-And such have been the wonderful results of its onerations that the London Lancet, Medical Times and the most eminent physicians of both hemispheres are anxiously calling upon sufferers to have immediate recourse to it, and proclaiming that of all known medicines it alone has positively established its efficacy by undeniable proofs of curing Consumption and all other diseases of the lungs.

The great celebrity of HASTINGS' COMPOUND SYR-UP OF NAPTHA, obviates the necessity of publishing certificates of cures. In fact, so far as can be ascertained, it has cured, or is fast curing almost all who have used it, and probably no person who has certificate in its favor, as hundreds have already done without solicitation.
