THE WORLD'S ILLATION!

THAT THE PILES ARE DISARMED OF ITS TERRORS,
BY DR. UPHAM'S VEGETABLE ELECTUARY.

The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment,) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Itch, External or Internal, and also for all diseases of the Stomach, and Bowels, such as

SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.

The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.

UNITED STATES MARSHALL'S OFFICE,
New York, Dec. 26, 1847. }

Messrs. Wyatt and Ketchum: Gentlemen—Understand that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.
Very respectfully,
Your ob't servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!!

MOUNT WASHINGTON, Berkshire Co., Mass. }

Nov. 29th, 1847. }

Messrs. WYATT & KETCHUM: Gentlemen—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

Eschamont, Berk Co. Mass. }

Nov. 29, 1847. }

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse.
DR. CHAPMAN.

NOTICE.—The Genuine Upham's Electuary has his written signature thereon (J. F. Upham, M. D.). The hand is also done with a pen. Price, \$1 a box. Sold wholesale and retail, by WYATT & KETCHUM, 121 Fulton St. New York, WILLIAMS, HAYWOOD & CO., Raleigh, and by Druggists generally throughout the U. S.

BALTIMORE PIANO FORTÉ

MANUFACTORY.

Very Important Invention.

IT HAS long been a question among teachers and amateurs of music, as to the most suitable touch for a Piano Forte. Some at this time contend for a light touch, while others, with equal ability, advocate the heavy. This question is now permanently settled. WINE & BROTHER have invented a contrivance by which the same instrument may be instantly set to any required touch, by the turning a single screw, varying, if necessary, three hundred and sixty-five differences. The advantages of this are evident, both to teachers and amateurs, as lessons may be practised on the heavy, and exhibited on the lighter touch, to suit exactly any physical capacity which is agreeable to fact and progressive lesson. The contrivance is simple, and may be applied to any common Piano. A Patent is about to be taken for the improvement. A. J. WISE & BROTHER.

EDGEWORTH

FEMALE SEMINARY.

Rev. Professor G. MORGAN, Principal,
Gov. J. M. MOREHEAD, Proprietor.

THE year begins with July, and closes on the first Thursday in May; an unbroken term of ten months.

The several departments which form a comprehensive and ornamental Education, as Music, Drawing, Painting, French, Latin, and English Languages and Literature, Mathematics, and the experimental Sciences; Mental and Moral Philosophy, the Bible and its Literature, are conducted by professional Teachers, of much experience.

EDGEWORTH is organized on a well defined plan, to impart to a moderate number of pupils, the highest order of Education, and at an expense far less than in Institutions of like grade, in the large Cities.

The greatest parental care and oversight, exemption from improper associations, good society, a well arranged course of study; valuable Libraries and apparatus, approved methods of instruction, religious culture, love of study; great improvement, and whatever qualifies a Lady to perform with dignity and wisdom, the station which Providence assigns her; are secured to Edgeworth pupils, to an extent seldom attained in the most favored Institutions.

The expenses for each of the five months are, Board, &c. and instruction in all, Studies not extra, \$75

Music on Piano or Guitar \$20, Oil Painting \$20, either of the Ancient or Modern Languages, \$10, Drawing and Painting \$10.

Fifty dollars are paid on entering, and the bills paid on the 1st of January and May.

Pupils should enter at the opening of the year, when the classes are formed. They can enter at any time, but not to be withdrawn before the close in May; when they are examined on the studies of the year, advanced to a higher grade—and the Senior Class having completed the course, receive Diplomas, as a permanent memorial of a finished Education.

Pupils, who are awarded insufficient time to graduate, are permitted to join the classes for which they are qualified, and all receive the full benefit of their former studies.

Parents and Guardians are expected to write, for more particular information, especially for the course of Studies, when preparations can be made at home.

on which he now resides,

situated six miles North of Raleigh, in Franklin County, containing 1100 Acres, 350 or 400 of which is in woods. The cleared land is highly improved, with good fencing. There are two Creeks running through the Tract, which makes a great deal of Low Grounds and Meadow Land.

The buildings consist of a large two story dwelling, and all convenient Out houses, with a Spring of never failing Water near the House. Also, about half a mile from the Dwelling is a small settlement, with several very good houses upon it, barns, &c.

The Land is well adapted to the production of tobacco, cotton, and all kinds of Grain—the Woodland is convenient to all portions of the Tract—the location is very elevated, and is not surpassed by any in the County for health. This is one of the best Tracts of high Land in the County.

ALSO, adjacent to this Tract is one containing 100 Acres, (half of which is woods), on which is a very fine Manufacturing MILL, with a twenty foot overshot Water Wheel and Granite Dam. The Mill House is very large, and rests on Granite Walls and pillars. The Mill has all the usual apparatus of Manufacturing Mills, and pays a very handsome percent. per annum upon \$5,000. Valuable Property for Sale,

IN THE CITY OF RALEIGH.

THE undersigned, intending to leave Raleigh, offers for sale his present convenient Residence, near the Rail Road Depot, together with two adjacent Tenements. Considerable expense has been incurred, and some taste displayed, in arranging the Garden and Green House, and the Establishment, on the whole, is well adapted for a Family residence. The Rail Road Depot is but a step removed from this property. The Directors of the Literary Fund, are erecting on the adjoining Square, a splendid Building for the Deaf and Dumb School, while there is an abundant supply of pure Water in the immediate neighborhood of the premises. Besides, the Dwelling House and appendages, are conveniently arranged, and no situation could better suit a Family of moderate size.

It is presumed no one will purchase, without personal examination of the premises, and therefore, a more particular description is omitted.
