Voluntary Certificates. UNITED STATES MARSHALL'S OFFICE, ? New York, Dec. 26, 1847.

Mesers Wyatt und Ketcham : Gentlemen-Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless But, about the first of September last. I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Very respectfully, Your ob't servant, ELY MOORE.

REMARKABLE CURE OF PILES-TRIBTY YEARS STANDING!!

MOUNT WASHINGTON, Berkshire Co., Mass. ? Nov. 29th, 1847. MESSES. WYATT & KETCHAM : Gents-For 30 years I have been afflicted with Piles, general Debilty, and Inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an OLD MAS, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.

Yours, with the utmost expression thankfulness, CORNELIUS SPUR.

EGRAMONT, Berk Co. Mass, ?

Nov. 29, 1847. The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse. DR. CHAPMAN.

BALTIMORE PIANO FORTE MANUFACTORY. Very Important Invention.

IT HAS long been a question among teachers and amateurs of music, as to the most suitable touch for a Piano Forte. Some at this time contend for a light touch, while others, with equal ability, advocate the heavy. This question is now permanently settled. WISE & BROTHER have invented a contrivance by which the same Instrument may be instantly set to any required touch, by the turning a single screw, varying, if necessary, three hundred and sixty-five differences. The advantages of this are evident, both to teachers and amateurs, as lessons may be practised on the heavy, and exhibited on the lighter touch, to suit exactly any physical capacity which is agreeable to fact and progressive lessons .-The contrivance is simple, and may be applied to any common Piano. We invite the most critical investigation. A Patent is about to be taken for the York, by one of the firm, from the cheap and splen-
