New Livery Stable.

THE Subscribers, having just erected a large, substantial, and spacious Stable with roomy stalls, in the very heart of the City, would respectfully inform the public, that they are now prepared, at all hours, to convey persons to, or from any part of the State. They have procured steady, polite and skilful Drivers, and intend keeping for hire, *Hacks, Buggies, Sulkies, Saddle and Harness Horses.* Their accommodations, and the travelling community, generally, are requested to lend them their influence, as they are determined to spare neither pains or expense to give satisfaction. Application for Conveyances, can be made either at the Stable, in the rear of the MARKET HOUSE, or at the MANSION HOUSE, next door to the Bank of Cape Fear.

Horses will be boarded by the day, week, month or year, on the most moderate terms. The Ostlers are experienced and faithful, and will leave no room for complaint.
Drivers will find this the most central Stable in the City, and the most convenient for effecting sales, and they will always find ample accommodation for any number of Horses, however large.
The Subscribers hope that, in this new enterprise, they will be sustained by a generous public.

THE WORLD'S ILLATION!

THAT THE PILES IS DISARMED OF ITS TERRORS,
BY DR. UPHAM'S VEGETABLE ELECTUARY.

The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment,) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Blind, External or Internal, and also for all diseases of the Stomach, and Bowels, such as

SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE, ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.
The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.

UNITED STATES MARSHALL'S OFFICE,
New York, Dec. 26, 1847. 3

Messrs. Wyatt and Ketcham: Gentlemen—Undersigned that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effect. Indeed, I began to consider my case hopeless. But, about the first of September last I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.
Very respectfully,
Your obt. servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!!

MOUNT WASHINGTON, Berkshire Co., Mass.,
Nov. 29th, 1847. 3

Messrs. WYATT & KETCHAM: Gentlemen—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumours and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent merits of Providence, and the use of Dr. Upham's Electuary, through an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

ESRAMONT, Berk Co. Mass.,
Nov. 29, 1847. 3

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse.

BALTIMORE PIANO FORTE MANUFACTORY.

Very Important Invention.
IT HAS long been a question among teachers and amateurs of music, as to the most suitable touch for a Piano Forte. Some at this time contend for a light touch, while others, with equal ability, advocate the heavy. This question is now permanently settled. WISE & BROTHER have invented a contrivance by which the same Instrument may be instantly set to any required touch, by the turning a single screw, varying, if necessary, three hundred and sixty-five differences. The advantages of this are evident, both to teachers and amateurs, as lessons may be practised on the heavy, and exhibited on the lighter touch, to suit exactly any physical capacity which is agreeable to fact and progressive lessons.—The contrivance is simple, and may be applied to any common Piano. We invite the most critical investigation. A Patent is about to be taken for the improvement. J. J. WISE & BROTHER,
No. 31, Hanover Street.

Dr. A. F. Coopers' Spino-Abdominal Supporters.

THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri.
Prof: MOTT thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder braces and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he has been wearing very celebrated body braces for some time, and that he would not give one of the above, for fifty such.
"They need no puffing as they speak for themselves."
