This Extract is put up in quart bottles ; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, elekening or debilitating the patient GREAT FALL AND WINTER MEDICINE. The great beauty and superiority of this Sarsapa-rills over all other medicine is, while it eradicates diseases, it invigorates the body. It is one of the very best Fall and Winter medicines ever known ; it not only parifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,-800 cures of severe cases of diseases; at least 20,000 of these considered incurable. More than 3,000 cases of Chronic Rheumatism ;

2,000 cases of Dyspepsia;

7,000 cases of the different Female Complaints; 2,000 cases of Scrofula :

1,500 cases of the Liver Complaint; 3,500 cases of Disease of the Kidneys and Dropsy

8.000 cases of consumption : And thousands of cases of diseases of the blood, viz : Ulcers, Erysipelas, Salt Rheum Pimples on the Face, It tells its own story. &c , &c., together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affec-

tions, &c., &c. This we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States, informing us of extraordimary cures. R. VAN BUSKIRK, Esq., one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with

CONSUMPTION CURED.

Cleanse and Strengthen Consumption can be oured Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic flush, Night Sweats, Difficult or Profuse Expectoration . Pain in the side, &c , have been and can be cured Dr. Townsend-Dear Sir: Nearly twenty years ago I took a violent cold, which settled on my lungs, and affected me severely indeed, finally, it became a constant backing cough but not so severe as to prevent me from attending to my business; within the last few years it increased on me gradually. At last I became reduced-breathed with difficulty, and raised with my cough much bad matter, and for the last mine months previous to using your Sarsaparilla, had regular night sweats; indeed, my friends and myself supposed that I would die with the Consumption; but I have the happiness to inform you that, R. A. S. to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying much better health than I have before in 26 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old had a very had cough the whole of last Winter. We became very much alarmed on her account. While using the medicine I gave her some of it, and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I ever saw She was also full of little blotches: it took them away and her skin is smooth and fair now and I am satisfied she recovered her health from using your excellent med-

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits." use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckels and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexions-all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Leucorrhosa, or Whites, obstructed or difficult Menstruction. Incontinence of Urine, or involuntary discharge thereof, and for the general Prostration of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become rebust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of ures performed, but we can assure the afflicted, that hundreds of eases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

In a short period it removed her semplaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledgeding it, and recommending it to the M D. TO MOTHERS AND MARRIED LADIES. This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, 'the turn of life,' should neglect to take it, as it is a certain preventative for any of the anmerous and horrible diseases to which females are subject at this time of tife. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood, as it is calculated to assist nature, by quickening the bleed and invigorating the system. Indeed, this medicine is invaluable for all the diseases to which

women are subject. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to preduce a subsequent relaxation, which is the case of most medicines taken for female weakness and

THREE CHILDREN. Dr Townsend-Dear Sir : I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.

Yours, respectfully, ISAAC W. CRAIN, 106 Wooster-st. New York, March 1, 1847.

Rahway, Jan. 25, 1847 A year since I was taken with the Influenza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three boules, I was very much relieved, and attribute it entirely to the said Sarsaparılla I have continued taking it, and find that I improve every day. DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs digestion, as this preparation of Sersaparilla. It positively cures every case of dyspepsia, however severe or chronic.

Bank Department, Albany, May 10, 1345. Dr. Townsend: Sir-I have been afflicted for several years with Dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heart-burn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. temporary relief-this entirely eradicates it from the I tried the usual remedies, but they had little or no system, even when the limbs and bones are dread- effect in removing the complaint. Consumption Disarmed of its Terrors!. HASTINGS' Compound Syrup of Naptha; QUICK and Positive Cure for Consumption,

chitis, Coughs, Colds, and all Diseases of the Chest and Lungs. This celebrated preparation is pleasant to the taste, and is so speedy in its operations, that patients plainly feel its good effects in a few minutes after taking the first dose. Prepared in London, by G. HABTINGS,

Sweats, Husky Throat, Wasting of the Flesh, Bron-

Decline, Asthma, Spitting of Blood, Night

When Dr. Hastings had discovered the virtue of Naptha, four years ago, he announced it in a private circular, to a sumber of distinguished physicians in various parts of England, with a request that they would put its medical properties to the test, and report accordingly. The result was a host of testimonials of the most favorable character, nearly all of which agreed in certifying that no medicine they have ever used could bear any comparison with it in relieving hacking coughs, curing diarrhoa, and stopping night sweats. It was also generally remarked to have a wonderful effect in increasing the appetite, weight, and spirits of patients; and to be a powerfuly efficient remedy in Bilious and Astmatic diseases. Of these testimonials, which were all published at the time in the Medical Recorder, NINE spoke of its extraordinary influence in cases of Consumptioneach corroborating Dr. Hastings' opinion, that he had actually discovered the great secret so long and vainly sought for, namely a preparation that would stop the formation of Tubercles on the lungs, remove those already formed, and thus cure the most fatal of all maladies, and which had been previously regarded as being altogether incurable. Dr. Williamson, of Mauchester, thus writes: " Under its influence I have seen the emaciated being, on whose brow Death seemed to have set his seal, acquire invigoration and strength; and exchange his early mornings of intense suffering and distressing cough for the calm repose which alone accompanies sound health." Dr. Ware, of Liverpool, says: "I regard Hastings' Syrup of Naptha as one of the first medical discoveries of any age, and consider its agency in curing Consumption as established beyond all doubt or question"-Dr. Boyd, of Lancaster, " Hails it as the great Consumptive antitode and cure;" and Dr. Hamilton, of Bath, pronounces it "the only known remedy which
