

Dr. Townsend's Sarsaparilla.
THE MOST EXTRAORDINARY MEDICINE
IN THE WORLD.

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

GREAT FALL AND WINTER MEDICINE.
The great beauty and simplicity of this Sarsaparilla over all other medicines, while it eradicates diseases, it invigorates the body. It is one of the very best Fall and Winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this power lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of diseases; at least 20,000 of these considered incurable.

- More than 3,000 cases of Chronic Rheumatism; 2,000 cases of Dyspepsia; 4,000 cases of General Debility and Want of Energy; 7,000 cases of the different Female Complaints; 2,000 cases of Scrofula; 1,500 cases of the Liver Complaint; 3,500 cases of Disease of the Kidneys and Dropsy; 8,000 cases of consumption of the blood, viz: Ulcera, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c., together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. VAN BUSKIRK, Esq., one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than 5,000 CHILDREN THE PAST SEASON! As it removed the cause of disease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child.

RHEUMATISM.
This Sarsaparilla is used with the most perfect success in Rheumatic complaints however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief—this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him: Dr. Townsend—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a Chronic, Rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla.

Hartford, March 12, 1845. SETH TERRY.

CONSUMPTION CURED.

Cleanse and Strengthen Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the side, &c., have been cured. Dr. Townsend's Sarsaparilla is used with the most perfect success in Rheumatic complaints however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief—this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexions—all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general Prostration of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weak, nervous and listless, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend—My wife being greatly distressed by weakness and General Debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in this acknowledging it, and recommending it to the public.

M. D. MOORE,
Corner Grand and Lydius-sts.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been especially prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the term of life," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This medicine is not delayed several years by using it. It is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life.

SCROFULA CURED
This Certificate conclusively proves that this Sar-

saparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.
Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.

Yours, respectfully,
ISAAC W. CRAIN, 106 Wooster-st.
New York, March 1, 1847.

OPINIONS OF PHYSICIANS.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union. This is to certify that we the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

UNITED STATES OFFICER.

Capt. G. W. McLean, one of the United States Marine Corps and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

Rahway, Jan. 25, 1847
A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe I saved my life, and would not be without it under any consideration.

G. W. McLEAN.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic.

Bank Department, Albany, May 10, 1845.

Dr. Townsend: Sir—I have been afflicted for several years with Dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heart-burn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heart-burn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been.
