

Dr. Townsend's Sarsaparilla.
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any other. It cures diseases without vomiting, purging, sickening or debilitating the patient.

GREAT FALL AND WINTER MEDICINE.
The great beauty and superiority of this Sarsaparilla over all other medicines is, while it eradicates druggs over all other medicines, it is one of the very best Fall and Winter medicines ever known; it not only purges the whole system and strengthens the only purgative it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of diseases; at least 20,000 of these considered incurable.

- More than 3,000 cases of Chronic Rheumatism;
- 2,000 cases of Dyspepsia;
- 4,000 cases of General Debility and Want of Energy;
- 7,000 cases of the different Female Complaints;
- 2,000 cases of Scrofula;
- 1,500 cases of the Liver Complaint;
- 2,500 cases of Disease of the Kidneys and Dropsy;
- 8,000 cases of consumption;
- And thousands of cases of diseases of the blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c., together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. VAN BRUNN, Esq., one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than 5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child.

RHEUMATISM.
This Sarsaparilla is used with the most perfect success in Rheumatic complaints however severe or chronic. The astonishing cures it has sometimes effected are wonderful. Other remedies are performed by temporary relief—this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him: Dr. Townsend—I have used one bottle of your Sarsaparilla, and find it excellent in its effects upon a Chronic, Rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal Physicians, and recommend your Sarsaparilla.

SETH TERRY.
Hartford, March 12, 1845.

CONSUMPTION CURED.

Cleanse and Strengthen Consumption can be cured. Bronchitis, Consumption, Liver Complaints, Colds, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Dr. Townsend—Dear Sir: Nearly twenty years ago I took a violent cold, which settled on my lungs, and affected me severely indeed, finally it became a constant hacking cough but not so severe as to prevent me from attending to my business; within the last few years it increased on me gradually. At last I became reduced—breathed with difficulty, and raised with my cough much mucus, and for the last nine months previous to my using your Sarsaparilla, had regular night sweats; indeed, my friends and myself supposed that I would die with the Consumption, but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying much better health than I have before in 26 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old had a very bad cough the whole of last winter. We became very much alarmed on her account. While using your medicine I gave her some of it, and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I ever saw. She was also full of little blotches: it took them away and her skin is smooth and fair now and I am satisfied she recovered her health from using your excellent medicine.

S. W. CONANT.

GIRLS, READ THIS.
You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexions—all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general Prostration of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

JAMES LITCHFORD.

UNITED STATES OFFICER.

Capt. G. W. McLean, one of the United States Marine Corps and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

Railway, Jan. 25, 1847.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe I saved my life, and would not be without it under any consideration.

G. W. McLEAN.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe or chronic.

Bank Department, Albany, May 10, 1845.

Dr. Townsend: Sir—I have been afflicted for several years with Dyspepsia in its worst form, attended with soreness of stomach, loss of appetite, extreme heart-burn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence; but after using nearly two bottles, I found my appetite restored, and the heart-burn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been.

Yours, &c. W. W. VAN ZANDT
