UNITED STATES MARSHALL'S OFFICE, ) New York, Dec 26, 1847.

Messrs Wyall und Ketcham : Gentlemen-Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless But, about the first of September last I was prevailed upon by a triend to make a trial of the above named medicine; I took his advice. and rejoice to say that I am not only relieved, but as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be atflicted with that annoying and dangerous disease. Very respectfully

YEARS STANDING!!

MOUNT WASHINGTON, Berkshire Co., Mass.

Nov. 29th, 1847. MESSES. WTATT & KETCHAM : Gents-For 30 years I have been afflicted with Piles, general Debitity, and Inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description I was contined to bed unable to help myself, and at last given up by my physiciaes and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary. though an old MAS, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr Upham's Electuary. and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself

warrant a cure, in every case. Yours, with the utmost expression of thankfulness, CORNELIUS SPUR
