Valuable Property for Sale,

IN THE CITY OF RALEIGH.

THE undersigned, intending to leave Raleigh, offers for sale his present convenient Residence near the Railroad Depot, together with two adjacent Tenements. Considerable expense has been incurred, and some taste displayed, in arranging the Garden and Green House, and the Establishment, on the whole, is well adapted for a Family residence. The Railroad Depot is but a step removed from this property. The Directors of the Literary Fund, are erecting on the adjoining Square, a splendid Building for the Deaf and Dumb School, while there is an abundant supply of pure Water in the immediate neighborhood of the premises. Besides, the Dwelling House and appendages, are conveniently arranged, and no situation could better suit a Family of moderate size.
It is presumed no one will purchase, without personal examination of the premises, and, therefore, a more particular description is omitted.
Application may be made, either to GEORGE W. MORSE, Esq., or to myself.

FOR SALE.

One of the most Desirable Residences about RALEIGH.
THE Subscriber offers for sale the Residence where he now lives, which is situated about half a mile from the State House, on Newbern St., which runs East from the centre of the Capitol. There are eight acres of Land attached to the premises. The House is situated in the centre of the front line, on a beautiful rise which falls each way, making it perfectly dry.
The House is a large, double one, with three Rooms on the first floor, and four Rooms on the second floor. The Rooms are very high pitched, and all finished with hard Plaster, with a Basement the full size of the House.
In the rear of the House is an Area, which is under-drained. In the Basement is a large and beautiful Dining Room, as dry and pure as any of the upper Rooms—made so by brick lining all around the Room under the floor, and covered with Slate; so that no moisture can rise should it get there.
A Rock Stable, and Carriage House, twenty four feet by thirty square, two Stories high; a Well, at the door; a Rock Smoke House, a Wood Kitchen and Bath House. The Well at the House, is the coolest and purest water in the up-country—a desirable object. Plenty of Shade Trees are in a thrifty state about the House, and will soon completely shade the yard. A number of Peach, Pear, Cherry and Apple Trees, are growing on the premises.
It is presumed no person will wish to purchase without examining the place, which can be seen at any time.
TERMS.—One third cash by the purchaser. The balance on almost any time the purchaser may desire by paying interest semi-annually, and securing the payment.

THE WORLD'S ILLATION!

THAT THE PILE IS DISARMED OF ITS TERRORS,
BY DR. UPHAM'S VEGETABLE ELECTUARY.
The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment,) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Blind, External or Internal, and also for all diseases of the Stomach, and Bowels, such as

BEVERE AND HABITUAL COSTIVENESS, DYSENTERY, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.
The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.

UNITED STATES MARSHAL'S OFFICE,
New York, Dec. 26, 1847. 3
Messrs Wyatt and Ketchum: Gentlemen.—Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, at the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Very respectfully,
Your obt. servant,
ELY MOORE.
REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!!
MOUNT WASHINGTON, Berkshire Co., Mass. 7
Nov. 29th, 1847. 3
MESSRS. WYATT & KETCHUM: Gentlemen.—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolepsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, through an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

Dr. A. F. Coopers' Spine-Abdominal Supporters.

THE Subscriber has on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri.
Prof: Mott thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.
