FOR SALE,
One of the most Desirable Residences about RALEIGH.
The Subscriber offers for sale the Residence where he now lives, which is situated about half mile from the State House, on Newbern St., which runs East from the centre of the Capitol. There are eight acres of Land attached to the premises. The House is situated in the centre of the front line, on a beautiful rise which falls each way, making it perfectly dry.
The House is a large, double one, with three Rooms on the first floor, and four Rooms on the second floor. The Rooms are very high pitched, and all finished with hard Plaster, with a Basement the full size of the House.
In the rear of the House is an Area, which is under-drained. In the Basement is a large and beautiful Dining Room, as dry and pure as any of the upper Rooms—made so by brick lining all around the Room under the floor, and covered with slate; so that no moisture can rise should it get there.
A Rock Stable, and Carriage House, twenty four feet by thirty square, two Stories high; a Well at the door; a Rock Smoke House, a wood Kitchen and Bath House. The Well at the House, is the coolest and purest water in the up-country—a desirable object. Plenty of Shade Trees are in a thrifty state about the House, and will soon completely shade the yard. A number of Peach, Pear, Cherry and Apple Trees, are growing on the premises.
It is presumed no person will wish to purchase without examining the place, which can be seen at any time.
TERMS—One third cash by the purchaser. The balance on almost any time the purchaser may desire by paying interest semi-annually, and securing the payment.

THE WORLD'S ILLATION!

THAT THE PILES IS DISARMED OF ITS TERRORS, BY DR. UPHAM'S VEGETABLE ELECTUARY.
The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, in Diseases that resisted all former Medical treatment, has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Blind, External or Internal, and also for all diseases of the Stomach, and Bowels, such as
SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.
The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.
UNITED STATES MARSHALL'S OFFICE,
New York, Dec. 26, 1847. 7

Messrs Wyall and Kelcham: Gentlemen—Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.
Very respectfully,
Your obt^d servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!!
MOUNT WASHINGTON, Berkshire Co., Mass. 7

Messrs. WYATT & KETCHAM: Gentl^{es}—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumore and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to my bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

EGRAMONT, Berk Co. Mass., 7

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse.

Dr. A. F. Coopers' Spino-Abdominal Supporters.
THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons afflicted with muscular debility, Round shoulders, or prolapsus Uteri.
Prof: Merritt thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.
"They need no puffing as they speak for themselves."

RAYMOND & WARING'S
Great Zoological Exhibition
FROM THE CITY OF NEW YORK.
Grand Cavalcade.
ON entering each place of exhibition the menagerie will be preceded by the grand and novel spectacle of an elegant MUSIC CHARIOT, drawn by eight grey Horses of the largest size, containing a BAND OF MUSICIANS, who will entertain the scene by executing a variety of favorite pieces of music.
Mr. John Shaffer, the daring Lion Tamer, and his equally intrepid LADY, will enter the cage with Lions, Tigers, Leopards and Panthers.—He will drive a large African Lion harnessed to a Car, and will by various graceful and daring feats show his complete control over animals usually deemed of the most savage disposition.
Will be exhibited at Raleigh on Thursday and Friday, August 3d & 4th, doors open from 6 to 7 P. M.
Admission 50 Cents; Children under ten years of age, and servants, half price.
Raymond & Waring would announce to the citizens of the place that they will now have an opportunity of seeing the celebrated, and brave John Shaffer & Lady.
He has been styled by critics the "Lion King" as he has exposed his life heretofore in subduing the largest and most terrible Lion ever caught; this animal is at present in his possession, and has repeatedly saved his life when exercising the other beasts in the performing cage. His feats have been beheld by millions; he actually Drives a Wild Lion, harnessed to a car, thus showing the supreme majesty of man above the brute.
The Wild Tenants of the Forest, from the huge and docile Elephant, the majestic Lion of unexplored Africa, the fierce Tiger of the Bengal jungles, the beautiful Leopard, the playful but voracious Bear, gentle Gazelle, the useful and patient Camel, the curiously striped Zebra, the grave robbing Hyena, the stealthy Panther, the savage Wolf, the cunning Fox, down through all the lesser grades, are here beheld with perfect safety, true to their nature at times, but perfectly subject to the control of man, the lord of creation.
Fovels of the Air and Reptiles, the most beautiful, rare, varied and dangerous of their species, are also comprised in this valuable collection; description is powerless and space too limited to admit it. Suffice it to say that the proprietors are of the oldest standing and highest celebrity, and have devoted years of toil and expense to the present collection, which is pronounced in Europe and America, perfectly unparalleled.
The moral and useful purposes which an exhibition like this can serve, are perceived by all, and acknowledged by all moralists; the exhibition serves to entertain and instruct all in the wondrous works of the Supreme Being, and is particularly impressive on the minds of youth.
Particular reference is given to the Mammoth Bills, Posters and Lithographs in the principal Hotels.
The whole Menagerie, on entering each town preceded by the Car, containing the New York Brass Band, will form a Grand Procession of twenty carriages, containing the various animals and drawn by seventy-five horses.

He has been styled by critics the "Lion King" as he has exposed his life heretofore in subduing the largest and most terrible Lion ever caught; this animal is at present in his possession, and has repeatedly saved his life when exercising the other beasts in the performing cage. His feats have been beheld by millions; he actually Drives a Wild Lion, harnessed to a car, thus showing the supreme majesty of man above the brute.
The Wild Tenants of the Forest, from the huge and docile Elephant, the majestic Lion of unexplored Africa, the fierce Tiger of the Bengal jungles, the beautiful Leopard, the playful but voracious Bear, gentle Gazelle, the useful and patient Camel, the curiously striped Zebra, the grave robbing Hyena, the stealthy Panther, the savage Wolf, the cunning Fox, down through all the lesser grades, are here beheld with perfect safety, true to their nature at times, but perfectly subject to the control of man, the lord of creation.
Fovels of the Air and Reptiles, the most beautiful, rare, varied and dangerous of their species, are also comprised in this valuable collection; description is powerless and space too limited to admit it. Suffice it to say that the proprietors are of the oldest standing and highest celebrity, and have devoted years of toil and expense to the present collection, which is pronounced in Europe and America, perfectly unparalleled.
The moral and useful purposes which an exhibition like this can serve, are perceived by all, and acknowledged by all moralists; the exhibition serves to entertain and instruct all in the wondrous works of the Supreme Being, and is particularly impressive on the minds of youth.
Particular reference is given to the Mammoth Bills, Posters and Lithographs in the principal Hotels.
The whole Menagerie, on entering each town preceded by the Car, containing the New York Brass Band, will form a Grand Procession of twenty carriages, containing the various animals and drawn by seventy-five horses.
