THE WORLD'S ILLATION!

THAT THE PILES IS DISARMED OF ITS TERRORS, BY DR. UPHAM'S VEGETABLE ELECTUARY.

The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Blind, External or Internal, and also for all diseases of the Stomach, and Bowels, such as

SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.

The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.

UNITED STATES MARSHALL'S OFFICE, New York, Dec. 26, 1847. Messrs Wyatt and Ketcham: Gentlemen—Undersigned, the undersigned, General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most cordially recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Very respectfully,
Your obt. servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!

MOUNT WASHINGTON, Berkshire Co., Mass. Nov. 29th, 1847. Messrs. WYATT & KETCHAM: Gentles—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.

Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

ESCAMONT, Berk Co. Mass. Nov. 29th, 1847. The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse.

Dr. A. F. Coopers' Spino-Abdominal Supporters.

THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri.

Prof. Morr thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.

The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.

ROBINSON & ELDRED'S

NEW YORK CIRCUS,

WILL exhibit in Raleigh, on Monday, Sept. 4th. Doors open at 2 and 7 o'clock, P. M. Admission 50 cents, Children and Servants half price. Ladies unattended by Gentlemen, will not be admitted.

The proprietors having been for many years liberally patronized by the citizens of Raleigh, embrace this opportunity of returning their thanks to their old friends and patrons, trusting on this occasion to merit a continuation of the same. The inducements which they intend to offer, being far superior to any thing of the kind that has ever been brought to the Southern Country, having purchased the Charleston Theatre, with a view of converting it into an Amphitheatre, commencing on the first of Oct. next, and having with them at this time all the Performers engaged for that purpose, Messrs. Robinson & Eldred feel confident in saying, they will be able to give a style of performance such as but few of the citizens of Raleigh have ever had the pleasure to witness.

Such a variety of talent was never before found travelling with a Circus company, (and would not now, only for the circumstance above alluded to,) being a combination of Equestrian and Dramatic, Tragedy, Comedienne, Ballet and Operatic performers, such as are only found in the principal Amphitheatres in the Northern City. To give the names of all the performers, and a Programme of performance, would be too lengthy and tedious. Suffice it to say, the Troupe is composed of THIRTY PERFORMERS, among whom will be found, two of the best Female Equestrians living, two of the best Female Ballet Dancers in the United States, two of the best back Riders, the best Tragedian, the best Comedian, the best principal Equestrian, best comic rider, best Dramatic Equestrian, the best best Clown, the best 2, 4, and 6 horse rider, best Hercules performer, tight rope Dancer, the largest and best Brass Band, largest and most commodious Pavilion, twenty of the finest Carriages, eighty of the best Horses, the best Band Carriage and team, in short, the best conducted establishment that ever travelled in this, or any other country. The citizens will at once perceive the superiority of this immense Company, over all others, as it passes in grand procession through the principal Streets, and on to the place of exhibition.

It may not be amiss, on conclusion, to state that the celebrated Italian Trick Clown, Signor FELIX CASTO, and family, (of whom so much has been said by the N. Y. Herald and other leading papers,) is attached to the Company, and will appear in Raleigh. His astonishing feats are indescribable; the reader must witness them, or remain in ignorance of the wonderful flexibility of the human frame. This remarkable family consists of six persons, all now in the employ of Messrs. R. & E. Also Mr. BACON, a celebrated Equestrian, who travelled through North Carolina years ago, in company with SMITH and others. Mr. B's performance is no doubt the memory of many a North Carolinian, who will be glad to improve the opportunity of again witnessing him. The accommodations of the internal arrangement of this immense Pavilion are on the most extensive and improved plan. Two gentlemen only will be in attendance, to point out seats provided for Families and parties. The Governor, Officers of State, and heads of the Press, are respectfully invited to attend. The Proprietors regret that pressing engagements prevent their remaining more than one day. Ladies unattended by Gentlemen will not be admitted.

A few remarks in relation to Stone & McCallum's Great Western Company, who are making a feeble attempt at rivalry, and we have done. The public are called upon to feast their eyes upon the splendor of twenty-five gorgeous carriages, &c. which will form the Grand Cavalcade on entering Raleigh. We never have seen this company, but rumor says, one of these carriages is gorgeous in size if not in splendor, being a four-horse road wagon, hired by the day, to transport the valuable and incomparable trappings of this Great Western Circus. The remaining five Carriages, which will form the residue of this immense Troupe, are said not to be so gorgeous. Mechanics and artisans are invited to avail themselves of the opportunity of witnessing the most extensive and imposing spectacle ever beheld on this continent—which will enter Raleigh on the morning of the 4th—keep a lookout and you will see an imposing scene sure enough.

There will be exhibited at the same time, a splendid collection of WAX STATUARY, embracing Eleven Figures, the size of life.
