IN THE WORLD. This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient

GREAT FALL AND WINTER MEDICINE. The great beauty and superiority of this Sarsaparilla over all other medicine is, while it eradicates diseases, it invigorates the body. It is one of the very best Fall and Winter medicines ever known; it not only parifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,-000 cures of severe cases of diseases; at least 20,000 of these considered incurable.

More than 3,000 cases of Chronic Rheumatism ; 2.000 cases of Dyspepsia; 4.000 cases of General Debility and Want of En-

7,000 cases of the different Female Complaints ;

2.000 cases of Scrofula;

1,500 cases of the Liver Complaint; 3,500 cases of Disease of the Kidneys and Dropsy

8,000 cases of consumption : And thousands of cases of diseases of the blood, viz : Ulcers, Erysipelas, Salt Rheum. Pimples on the Face, &c., dc., together with numerous cases of Sick Headsche, Pain in the Side and Chest, Spinal Affec-

tions, &c., &c. This we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. VAN BUSKIRK, Esq., one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It

undoubtedly saved the lives of more than 5.000 CHILDREN THE PAST SEASON! As it removed the cause of desease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child. RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints however severe or chronic. The astonishing cures it has performed are system, even when the limbs and bones are dreadfully swollen.

Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter recived from him :

Dr. Townsend-I have used one bottle of your Sarsaparilla, and find it is excellent in its effects unon a Chronic, Rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY.

CONSUMPTION CURED. Cleanse and Strengthen. Consumption can be

cured. Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic flush, Night Sweats, Difficult or Profuse Expectoration . Pain in the side, &c , have been and can be cured. Dr. Townsend-Dear Sir: Nearly twenty years ago I took a violent cold, which settled on my lungs, and affected me severely indeed, finally, it became a constant hacking cough, but not so severe as to prevent me from attending to my business; within the last few years it increased on me gradually. At last I became reduced -- breathed with difficulty, and raised with my cough much bad matter, and for the last nine months previous to using your Sarsaparilla, nad regular night sweats; indeed, my friends and myself supposed that I would die with the Consumption ; but I have the happiness to inform you that,

to my surprise, after using three bottles of your

Sarsaparilla, I find my health restored. It relieved

me gradually, and I am now enjoying much better

health than I have before in 26 years. I had almost

entirely lost my appetite, which is also returned.

Wou are at liberty to publish this with my name in the papers, if you choose. My little girl, who is three years old had a very had cough the whole of last Winter. We became very much alarmed on her account. While using the medicine. I gave her some of it, and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I ever saw. She was also full of little blotches: it took them away and her skin is smooth and fair now and I am satisfied she recovered her health from using your excellent med-

GIRLS, READ THIS.

F You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits." use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckels and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexions-all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness. Leucorrhea, or Whites, obstructed or difficult Menstruction, Incontinence of Urine, or involuntary discharge thereof, and for the general Prostration of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female

frame, which is the great cause of barrenness

It will not be expected of us, in cases of so delicate a Cature, to exhibit certificates of ures performed. but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend-My wife being greatly distressed by weakness and General Debility, and suffering continually by pain and a sensation of bearing down. falling of the womb, and with other difficulties, and baving known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a hottle of your Extract of Sarsaparilla, and followed the directions you gave. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledgeding it, and recommending it to the M D. MOORE,

Corner Grand and Lydius-sts.

Albany, Aug. 17, 1847. TO MOTHERS AND MARRIED LADIES. This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the turn of life," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood, as it is calculated to assist nature, by quickening the medicine is invaluable for all the diseases to which ed and forwarded. Women are subject.

It braces the whole system, renews permanently he natural energies by removing the impurities of the body-not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicioes taken for female weakness and

SCROFULA CURED

THREE CHILDREN. Dr. Townsend-Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.

Yours, respectfully, ISAAC W. CRAIN, 106 Wooster-st. New York, March 1, 1847.

Our duty to ourselves, our duty to our connections, require we pay due attention to the healthy coudition of the body.

HIE recent hot weather, and the influenza, have left many subject to be affected by the changes of temperament and contagious influences common to this month; but, by the timely use of Brandreth's Pills, even now this susceptibility can be in great measure removed, and powers given the system to resist those morbific poisons, and the sudden changes PIRON TORNE. in the weather with which it may be brought in contact during the next fifty days. Nature has formed the bowels for the evacuation of all unhealthy humors; and if man would but use common sense, he would take care they performed this office faithfully. If the bowels are out of order-if too slow or too fast -a few doses of Brandreth's Pills will bring them to order. Ask the man who was dying from coustipated bowels, what cored him; he tells you, Brandreth . Pills cured him in a week. So with other diseases. Twelve Braudreth Pills, rubbed down in half a pint of molases, cured a little boy of an ulcer of the face, which was rapidly spreading to his eyes, and which a dozen doctors had tried to cure, but could not; the poor parent would have given half they were worth to have had it cured, but every thing they tried did no good, until they gave it a tea-spoonful of molasses every day in half a pint of which they had rubbed down twelve Brandreth Pills. Before the whole of the molasses was taken, the ulcer was cured. And yet some foolish people call Brandreth's Pills a quick medicine. It would be well if there were a few more such quack medicines. Will all your pretended Sarsaparilla Compounds cure like the Brandreth Pills? Can they send you to persons cured, as Mr. Brandreth can? Can they point out to you people who had been helpless for years from Epilepsy and St. Vitus' Dance, who have been cured by their remedies? If they cannot, Dr Brandreth can. Can they point out to you a person who for twenty years had never had a stool without having used medicine or mechanical means, and whom the Brandreth Pills cured in a month, and gave him as healthy evacuations as he had when he was a child? If they cannot, Dr. Brandreth can.

By having the Brandreth Pills always on hand, should a sudden attack of sickness take place, they can be given at once, and will often have effected

a cure before the physician could have arrived. In Choic and Inflamation of the Bowels, these Pills will at once relieve, and perseverance in their use. according to the directions, will surely do all that medicine can do, to restore the health of the patient. In all cases of Indigestion, Worms, Asihma, Diseases of the Heart, and in all Affections of the Stom ach and Bowels, the Brandreth Pills will be found

a never-failing remedy. To insure the full benefit of these celebrated Pills they should be in the house, so that upon the first commencement of sickness, they may be restored to One dose then is better than a dozen after disease has

become established in the system. BE CAREFUL OF COUNTERFEITS. How to avoid them : - Each Agent who sells the genuine Brandreth Pills, has a certificate of Agency which has been engraved at a vast expence. Consumption Disarmed of its Terrors! HASTINGS' Compound Syrup of Naptha;

QUICK and Positive Cure for Consumption, Decline, Asthma, Spitting of Blood, Night Sweats, Husky Throat, Wasting of the Flesh, Bronchitis, Coughs, Colds, and all Diseases of the Chest and Lungs. This celebrated preparation is pleasant to the taste, and is so speedy in its operations, that patients plain-

ly feel its good effects in a few minutes after taking

the first dose. Prepared in London, by G. HAETINGS,

When Dr. Hastings had discovered the virtue of Naptha, four years ago, he announced it in a private circular, to a number of distinguished physicians in various parts of England, with a request that they would put its medical properties to the test, and report accordingly. The result was a host of testimonials of the most favorable character, nearly all of which agreed in certifying that no medicine they have ever used could bear any comparison with it in relieving backing coughs, curing diarrhoa, and stopping night sweats It was also generally remarked to have a wonderful effect in increasing the appelue, weight, and spirits of patients; and to be a powerfully efficient remedy in Bilious and Asimatic Giseases. Of these testimonials, which were all published at the time in the Medical Recorder, NINE spoke of its extraordinary influence in cases of Consumptioneach corroborating Dr. Hastings' opinion, that he had actually discovered the great secret so long and valuly sought for, namely a preparation that would ste Edward T. Richardson Esq. General Accountant. the formation of Tubercles on the lungs, remove thos already formed, and thus cure the most jutal of a maladies, and which had been previously regarded of being altogether incurable. Dr Williamson, of Manchester, thus writes: " Under its influence I have seen the emaciated being, on whose brow Death seemed to have set his seal, acquire invigoration and strength; and exchange his early mornings of intense suffering and distressing cough for the calm repose which alone accompanies sound health." Dr. e, of Liverpool, says: "I regard Hastings' Syr. of Naptha as one of the first medical discoveries of any age, and consider its agency in curing Consump-tion as established beyond all doubt or question"-

Dr. Boyd, of Lancaster, " Hails it as the great Consumptive antitode and cure ;" and Dr. Hamilton, of Bath, pronounces it " the only known remedy which may be relied on for removing Tubercles from the lungs, and preventing fermation of others." Price one dollar a bottle. Six bottles for five dollars. The usual allowance to the trade. For sale Wholesale and Retail by Messrs. PES-CUD & JOHNSON, sole Agents for Ruleigh.
