THE WORLD'S ILLATION!
THAT THE PILES IS DISARMED OF ITS TERRORS, BY DR. UPHAM'S VEGETABLE ELECTUARY.

The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either bleeding of Blood, External or Internal, and also for all diseases of the Stomach, and Bowels, such as

SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.

The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.
UNITED STATES MARSHALL'S OFFICE, }
New York, Dec. 26, 1847. }

Messrs Wyatt and Ketchum: Gentlemen—Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Very respectfully,
Your obt' servant,
ELY MOORE.

REMARKABLE CURE OF PILES—TWENTY YEARS STANDING!
MOUNT WASHINGTON, Berkshire Co., Mass. }
Nov. 29th, 1847. }

Messrs. WYATT & KETCHUM: Gents.—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and proptus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.

Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

ESRAMONT, Berk Co. Mass. }
Nov. 29, 1847. }

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse.

Dr. A. F. Coopers' Spino-Abdominal Supporters.
THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or proptus Uteri.

Prof. Morr thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.
"They need no puffing as they speak for themselves."

JAMES' NEW NOVEL.
A WHIM and its consequences, by G. P. R. James, Esq. Price 25 cts. just published and for sale at Turner's N. C. BOOKSTORE.

PROSPECTUS
Of a Whig Newspaper to be Printed at SMITHFIELD, CALLED THE Smithfield Telegraph.

IT HAS long been desired that a Press should be established in the thriving Town of Smithfield; and the undersigned, believing that such an undertaking would be encouraged and sustained by the intelligent and public spirited citizens of Johnson and the surrounding Counties, have determined to make the experiment by the establishment of a Newspaper with the above title, and upon the plan proposed.

The TELEGRAPH will be Whig in Politics; and although we shall not be permitted to render much service in the promotion of that glorious old Hero ZACHARY TAYLOR for the Presidency—his election, as we believe, will have taken place before we shall be in the way; yet we shall give him administration in that event, a warm and cordial support, believing that the perpetuity of our Institutions and the well being of our Country can best be secured by an adherence to the principles which he has laid down for his government. But should so great a curse be inflicted upon our Country as the success of either of the Loco Foco Abolition Candidates, Lewis Cass or Martin Van Buren, we will be found battling with all our might against the dangerous policy and doctrines which they advocate, and doing all in our power to arrest our Country from a downward tendency to which all their principles lead. The South, Southern Institutions and Southern interests will be vigilantly guarded from Loco Foco Barrenness, old Hankers and Abolitionists, and we shall do all in our power to demonstrate what we believe to be God's will, that with the Whig party rests all the hopes and prospects of this Union for happiness and prosperity.

But while the Telegraph will be a Political paper, it is our purpose to make it a vehicle to convey intelligence and information to its readers upon all subjects. Agriculture, the Markets, Domestic and Foreign news, shall receive due space in our columns, while Miscellaneous and interesting "light-reading" shall receive proper attention.

The next Session of the Legislature will be one of great interest to the People of the State; and we have provided ourselves with facilities to keep our readers well advised of its Proceedings. And in Congress, also, matters of the most vital importance will come up for action at its next sitting. Among others, the delicate and momentous question of slavery in the newly acquired territories of New Mexico and California will have to be settled, in the result of which the People of the South must feel a deep and abiding interest. We shall keep our readers fully posted up with its doings; as well as with all matters of news and interests that may be transpiring in our own and Foreign lands. In a word, we intend to make the Telegraph an excellent paper—worthy of patronage and support in every particular.

We now call upon the People of Johnson, Wayne, Lenoir, and the adjoining Counties, to sustain it. Will you do it? If you will, down with your name and fork up the dust!

The Telegraph will be published once a week on a super-royal sheet, at the low price of \$2 per annum in advance. The money to be paid on receiving the first number, which will be issued on the 13th of October next. We hope our friends will procure as many subscribers as possible, and return their names to the undersigned, at Smithfield by the day contemplated for publication of the first number.
