THE WORLD'S ILLATION!
THAT THE PILES IS DISARMED OF ITS TERRORS, BY DR. UPHAM'S VEGETABLE ELECTUARY.

The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Blind, External or Internal, and also for all diseases of the Stomach, and Bowels, such as

SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTESTINES; FLOW OF BLOOD TO THE HEAD, &c.; AND FOR THE RELIEF OF MARRIED WOMEN.

The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

Voluntary Certificates.
UNITED STATES MARSHALL'S OFFICE,
New York, Dec. 26, 1847.

Messrs Wyatt and Ketcham: Gentlemen—Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to voluntarily recommend in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.
Very respectfully,
Your obt. servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!!
MOUNT WASHINGTON, Berkshire Co., Mass. }
Nov. 29th, 1847. }
MESSRS. WYATT & KETCHAM: GENTS—For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my suffering defy description. I was confined to bed unable to help myself, and at last given up by my physicians & friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, through an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

Dr. A. F. Coopers' Spino-Abdominal Supporters.
THE Subscribers have on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or prolapsus Uteri.
Prof. Morr thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and who have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.

ONE DISEASE OR MANY!
So, one of my opponents will leave it with me, "learned to decide" whether there be more than one cause of disease. Disease may be defined as the opposite of health. What is health? It is the performance, regularly, of all the functions of the body, fully, and without pain. What is disease? It is a want of life in the part where the pain is felt, or where the numbness or enlargement is situated. How do you know it is so! Look at that piece of meat, it is becoming putrid! What makes it putrid? It was not so when forming part of a living body. No! Because then the life principle was able to throw off a particular matter which neutralized the atmospheric air, and instead of producing disease produced the breath of life, and is the cause of the heat of the human body. So a want of life in a part, is disease in that part. Of course it is. For how could impure humors collect, if the powers of life were strong enough to throw them out without the aid of medicine? The thing is impossible. But say some, how do you know that the powers of life will not throw out the impure humors collected in any part of the body, without resorting to medicine? I answer to such, that it would be like the aiding a man after he was crushed to death with a load, which we had the power to take off his back before he was hurt; but we, like hard-hearted wretches, wished to see whether he could not get up without help, and when he is dead, we say oh! I wish I had helped him before—This would be a case of crime next to murder; and it is not the less a crime, that we kill ourselves by waiting until nature helps herself. We have the means in our own hands of cure, without reducing the life principle to its lowest ebb, but on the contrary, every time we use Brandreth's Pills, when we are sick, we are better and better, until we are again restored to health. These Pills supply that principle to the human body which it requires when the life principle is depressed by disease, to guard it from the mischievous effect of the atmosphere; and those who use them are satisfied that their results, to many who will corroborate all I have asserted, and especially to an old gentleman eighty-three years old, who has taken them the last seven years, and no other medicine, and who, no one would suppose, to look at him, was much over sixty. His life, as he assured me, appeared to have been renewed, since he had recourse to Brandreth's Pills.

Then there is Mrs. Hooper's case, of Wareham Barnstable Co. Mass.; for nearly twenty years she was unable to render any assistance to herself. Her dress showed itself as St. Vitus' Dance. One hundred and fifty boxes of Pills cured her, and she has been healthy now for seven years, and fully competent to all the duties of her family. Her case, as written by herself, was published five years ago.

I have just received the case of a medical gentleman, who resides at Sherbrooke, Canada, who for twenty years was sorely afflicted with a disease, which came out in blotches and scabs all over his body. This gentleman so far forgot his prejudices, which too often curse his profession, as to apply personally to Dr. Brandreth, and his course proved a happy one. Within six months he was entirely cured of his miserable and tormenting disease by the use of the Brandreth Pills.

Time would fail me, were I to go on enumerating the many cures of diseases, considered incurable by Physicians, which have been effected solely by the use of the Brandreth Pills.
Let me assure all those who have not yet tried this Blessing of the Human Race, in no case can they do injury, because they are made of those herbs and minerals which experience has fully proved always harmonize with the human body. The omission of purging with them in case of sickness, is often the cause of a long attack, often ending only by a cessation of life.

How important it is that this course should be pursued; it will not only be the surest way of restoring; but it will, in a great measure prevent the recurrence of constitutional maladies and will surely weaken the malignity of the attacks, and in time secure robust health.

All persons should carefully purchase Brandreth's Pills only of the regularly appointed Agents. They should thus insure themselves the genuine article; otherwise they may often light upon a counterfeit article. Be careful.
The above Pills are on sale by WILL PECK, Raleigh N. C. Price 25 cents per box.
