MARY GORDON.

NEWBERN, Feb. 11.

THE subscriber takes this method to acquaint the public in general and his friends in particular, that he has declined keeping tavern but still continues entertaining any gentlemen and ladies travelling through this State who think proper to stop at his house as private lodgings, likewise begs all those who are indebted to him either by bond, note, or book debt, that they would settle the same by the 31st day of May next, or they must not be surprized at being sued, as the subscriber is determined to settle his tavern accounts as soon as possible.

EDMOND WRENFORD.

NEWBERN, June 27, 1777.

TWENTY DOLLARS REWARD.

RUN away from Green Springs, near Newbern, a Negro Fellow named SMART, very black, about 5 Feet 8 Inches high, well made, and very likely, speaks broken English, but very artful and insinuating. He has been seen lurking about the plantation of Mr. Joseph Bell, at Core sound, in company with a fellow belonging to Mr. Lovet Jones, and is supposed to be harboured in that neighbourhood. As the penalty in such cases is very great and the courts of law now open, any person that shall be detected in such a piece of injustice to his neighbour, may perhaps repent his Temerity. Whoever brings the said Slave to Green Spring aforesaid, shall have the above reward.

JAMES DAVIS.

NEWBERN, Jan. 30.

THE purchasers at the sales of the prize brig *Hanover's* cargo, who have not already paid, are requested to pay off their accounts to the subscriber. As the sales were for ready money, should any person fail discharging their accounts before the 20th of February next, they cannot in justice find fault, should they be put into the hands of a lawyer,

RICHARD ELLIS, Agent.

PAPER MANUFACTORY.

BY our unhappy Contest with Great Britain, and the necessary Restrictions on our Trade, Paper has been an Article for which we, in this State, have much suffered, for though there are many Paper Mills in the Northern Colonies, where Paper is made in great Perfection, yet, by the Interruption of the Colony Trade by Water, the Southern Colonies have experienced a very great Scarcity of that necessary Article. To remedy this Evil, and throw in their Mite towards the Perfection of American Manufactures, the Proprietors of a PAPER MILL just erected near Hillsborough, in Orange County, give Notice to the Public, that their Mill is now ready to work, and if a sufficient Quantity of Rags can be had, they will be able to supply this State with all Sorts of Paper. They therefore request the Favour of the Public, and more particularly the Mistresses of Families, and the Ladies in general, whose more peculiar Province it is, to save all their Rags, and Scraps of Linen of all Sorts; old Thread Stockings, Trunks from their Linen Looms, and every Kind of Linen, is useful. As this Undertaking is novel, saving of Rags may perhaps be thought too trifling, and below the Notice of the good Mistresses of this State; but when they consider they are aiding and assisting in a necessary Manufacture, and when the young Ladies are assured, that by sending to the Paper Mill an old Handkerchief, no longer fit to cover their snowy Breasts, there is a Possibility of its returning to them again in the more pleasing Form of a Billet Deaux from their Lovers, the Proprietors flatter themselves with great Success. Persons in the several Towns and Counties in the State will be appointed to receive Rags, for which a good Price will be given.

Four pence per pound for clean linnen rags will be given, if delivered to Henry Parso, in Newbern, or at the printing office.

TO THE PUBLIC.

THE Usefulness of a Work of this Sort must forcibly strike every Person the least conversant with Business, as an alphabetical Digest must save the Trouble of turning over a voluminous Folio, and present the Reader with what he wants to know at one View; besides its being more portable, and convenient for Use. The Subscriber therefore hopes for the Encouragement of the Public to this Undertaking, and assures them of his best Endeavours to make the Performance useful. When the enormous Price to which every Article of Life is now risen is considered, he hopes the Public will not think three Dollars too high, nor the Payment of one of them at the Time of Subscription, unreasonable.

JAMES DAVIS.
