

NEWBERN, Marce 13.

THE Treasurer of the continental loan office for the state of North-Carolina being impowered to appoint a deputy in each of the towns of Salisbury, Hillsborough, Halifax, Edenton and Wilmington, for the reception of all such money as may be lent on interest, gives notice that he is on application ready to appoint such deputies, they first entering into bond with security for the faithful discharge of their several offices.

EDENTON, March 25.

To be sold at public vendue, on Tuesday the 5th of May next, to the highest bidder, for ready money:

THE dwelling house, kitchen, store-house and appurtenances thereto adjoining, situate in the town of Edenton, whereon the late Mrs. Elizabeth Wallace lived, standing on one lot of land; it is by far the best situation for a merchant or tavern keeper, in the whole town, standing the highest to the court house, and in the very centre of business: The dwelling house consists of four rooms below, three of which have fire places, and six good bed-chambers above, wherein are two fire places, I may also say that the soil is remarkable good for a garden, there having formerly been a very fine one on it, and that there is a sufficiency of it for that purpose, and an exceeding fine spring thereon. Also a dwelling house and kitchen with five good lots, now occupied by Mr. Sinclair in the said town, pleasantly situated either for a private person or man of business, and is capable of very great improvements, with very good springs thereon.

TO be sold, two valuable tracts of land, containing 1280 acres, situate in Cumberland County on each side of the N. W. branch of Cape Fear river, beginning a quarter of a mile above the mouth of Rockfish creek, the soil of which is very good for corn, rice and indigo, and on one of the tracts there is a good stream for a mill. These lands were patented by John Baptista Ashe, Esq; deceased, the 6th May 1730. Any person inclining to purchase may know the terms by applying to
