though not always, cured. It cheeks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dresaing, the Vigon is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and sikes in appearance, and imparts a delicate, agreeable, and lasting perfume.

J. W. Bowen, proprietor of the McArthur Shio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its
use promotes the growth of new hair, and

to give entire satisfaction."

Mg. ANOUS FAIRBAIRN, leader of the selebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1866. "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness -a matter of quence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

Mas. O. A. Phriscott, writing from 18 Elm St., (harlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow and is now as conducted. has centinued to grow, and is now as good as before it felt. I regularly used but one bottle of the Vicion, but now use it occasionally as
