DEVOTED TO THE ADVANCEMENT OF REIDSVILLE AND THE STATE AT LARGE.

#### Wong Chee, a San Francisco China. purchased a drawing room ticket hicago a few weeks ago. He is the one of his nationality who ever ege of riding in a drawing room om San Francisco to Chicago cost sie tra. His countrymen in Calia consider him daft.

The pair of trousers which J. W. em to be in as good a condition as if er had only been made last year, and t. Briggance is proud of them.

Two English syndicates own 7,500,000 es of land in Texas. Another owns 0,000 Sir E. J. Reid, the famous ish naval constructor, has 2,000,000 s in Florida. Two London firms own ,000 acres. An English company 107,000 acres in Mississippi and anher company has 750,000 acres. Inviduals and companies of other nationies are a'so large holders.

The American circle in London, so an glish paper says, is beginning to attain important position, owing to the fact foreign affairs. hat so many American ladies have marel Englishmen of title, "and are, on s account, as well as for their personal tractions and accomplishments, well ceived everywhere. Ultimately the merican circle will, if it manages with act, and con ents to glide, become a reat 'influence' in London."

ere are over 153,000 miles of railin the United States, on which 40 '.cens wooden ties are laid, and assumthe life of an average tie to be six be seen that one-sixth must e renewed each year, which will take 000,000 ties for renewals; estimating new roads are conrequiring 21,000,000 and to amount to 89,000,000 ties. These figures are startling, remarks de Opinion, and make the subject of metal ties one of live resent interest.

A present of a complete train has been ent by a recent steamer to Li Hung Chang from France. It was specially made for the Viceroy of Pechihli at yons, and is composed of six carriages, which three are for the Emperor and his chief Ministers, two for the guards bridge across Coosaw river, Alabama. and one for the baggage. This train is o run on the short railway of six kilometres specially constructed near Pekin for the instruction and edification of the young Umperor. The carriages, it is needless to say, have been prepared in a luxurious style, and bear the imnerial arms of the dragon.

According to an English paper, if the thidren of Israel ever return to Jerusalem the will have to drive out the Germans the are cutting out everybody else there. They have invaded the Holy land as the Goths of old did the lands f Southern Europe. There they settle and there they stay. They are teaching the people better manufacturing habits and a love of German wares. The trade krasalem is now done large'y, and is ikely to be done almost exclusively, with Germany. The Germanization of Faestine is proceeding so rapidly that the Priti-h Consul at Jerusalem calls the attention of the Government to it.

The resistance to the Channel tunnel scheme being by no means exhausted, it proposed to facilitate communication on a smaller scale between England and the Continent. The idea is to suspend two tubes of about a yard each in diameter, by means of steel cables across the channel forty vards above the level of the sea. The steel cables will be fixed to pillars at distances of about 80) yards, and in each tube a little railway will weight than this will be taken, and the test is estimated at \$5,000,000. It is 136 proposed to run telegraph and teleflone wires through these tubes.

The new British East Africa Company his recured a royal charter, and it is to take possession of the concession secured by William Mackennion a year ago from the Sultan of Zanzibar. This includes develop a territory of about 50,000 square miles. The Sultan's portion is a strip bordering on the coast, 150 miles long and ten miles wide. The rest of the territory, which extends back to the Victoria Nyanza, is conceded by a number of chiefs. Mr. Mackennion, is presidut of the new company and Lord Brassey is vice president. The nominal Capital is \$5,000,000, and the first issue of shares to one quarter of that amount has been taken up. There are a couple of milions of natives on this big tract of land and they are warlike and ugly, and the new company will have somewe can to tarri ory will recent to the

Passenger and Mail Trains run daily ex

evidence in their favor will be presented.
This being the case, two more convictions are certain, which mean lorg sentences in addition to the one already imposed. Of course appeals will also be taken in these cases as in the other.

Presenter and accommodation Train runs from Bennetsville to Fayetteville Tuesday, Thursdays, and Saturdays; from Fayetteville to Greensboro on Mondays, Wednesdays and Fridays; from Mt. Airy on Mondays, Wednesdays and Fridays; from Mt. Mondays, Wednesdays and Fridays, from At-Airy to Greensboro on Tuesdays, Thursdays, and Saturdays; from Greensboro to Fayette-vill on Tuesdays, Thursdays and Saturdays, and from Fayetteville to Bennettsville on Moniays, Wednesdays and Fridays. W. E. KYLE,

General Passenger Agent, W. FRY,

General Superintendent. Retrogressive Egotism. At fifteen it was "L" The world to me

Conveyed no meaning of immensity. At twenty-one my scorn enough uncurid. To condescend to say: "I and the world." At thirty-five I changed, I know not why, My mode of speech into "The world and L"

At sixty-odd, with straggling locks of gray, Alone, "The world," I am content to say.
