Short Foot, M. KELLEY'S.

1 Short IVES' BOOK.—A large supply on hand and provided the carried to the propose of the Our neighbor is wrong about the distances; but these plitical backs abuse him, and not resent the Jonesbore Road will do away with some of the arguments of the Gazette, founded as they are on the cash, at GEO. H. KELLEY'S.

Our neighbor is wrong about the distances; but these plitical backs abuse him, and not resent the Jonesbore Road will do away with some of the arguments throughout the State, makes use of the following by Nash, C. J. In Wright v. Wilmington and forgetten the exact distances between the points of the Cazette, founded as they are on the forgetten the exact distances between the points of the Cazette, founded as they are on the forgetten the exact distances between the points. necessity (as it feelingly urges) of opening a market to this land locked region. In building this Road we shall give the people of the Pee Dee, and the adjacent counties, an opportunity to reach a market; and we shall give the people of the Pee Dee, and the adjacent counties, an opportunity to reach a market; and we shall give the people of the Pee Dee, and the adjacent counties, an opportunity to reach a market; and we shall give the people of the Pee Dee, and the safety of the people of the Pee Dee, and the safety of the people of the Pee Dee, and the adjacent counties, an opportunity to reach a market; and we shall levy on them no such absurd taxes, as any point of people of the people of the people of the people of the Pee Dee, and the adjacent counties, an opportunity to reach a market; and we shall give the people of the Pee Dee, and the safety of the people of the Pee Dee, and the state of the points softlineads:

"The end of all those improvements is not barely ver, directing a venire de novo.

Also, in the State v. Thoma of North Carolina, the East and the Wost, now not sufficiently acquainted with each other, in the bonds of a fraternity that can never be broken."

By Pearson, J. In McKeither and the state of the points above specified; but, we are under the impression that a material advantage in point of make ourselves richer—but they tend besides that and far above that, to make ourselves richer—but they section of North Carolina, the East and the Wost, now not sufficiently acquainted with each other, in the bonds of a fraternity that can never be broken." On our table—from Whitaker:

Agatla Beaufort, or Family Pride. A new work by the author of Pique. Got up in very neat style.

Wearyfoot Common, by Leitch Ritchis, Author of the Bobber of the Bibling &c., &c.

de of the Bobber of the Bibling &c., &c.

On our table—from Whitaker:

Charieston taxes, and charges before its eyes, pathetically alludes to. We can offer them inducements to trade here, and not send them out of the State vogue in these latter days. But, says cur Cheraw of the Bobber of the Bibling &c., &c.

On our table—from Whitaker:

Agatla Beaufort, or Family Pride. A new work by the results of the same time to gratify their feelings of State pride—an article quite out of the State vogue in these latter days. But, says cur Cheraw of the Bobber of the Bibling &c., &c. But, the Gazette, towards the close, gets porten- and that it would divert all the trade from the secries to us. Here they are, like onions on a strings | the Wilmington market. Does any one suppose ces, &c., by Chas. Lever. Price 50 cents.

The Journal speaks as flippantly of felschood and compounding a felony, as though these were triffing transactions. See article in yesterday's paper about Edney & Co. Some people have queer potential from utter ruin?"

No. 1. "Has the Herald forgotten the time when that Charleston would quietly submit, thus to be stripped of its rightful trade? If so, he knows nothing of her ability and energy. If necessary plear, and when Wilmington was an humble supplicant for a charter which would save that road from utter ruin?"

here, there, and everywhere, to gratify the Po people, and thwart our most impudent design are told that she will meet trump for true can blow her own horn ee trump-et. and is bound to win the game the cards. We remember that won the odd trick! Put her off the main li made a kind of water station of her, me are ready to deal the cards again.

Mr. Clingman, who is now laboring to def Dockery, and who may be said to have gone body and soul to the Loca Focos, spoke in 1844 the following terms of that identical Demo-party, for whom he is now working:

"Let us now, Mr. that this party is governed by seven principle. John Randolph is reported to have said of Ritchie,—the five loaves and two fishes. Or.

I shall endeavor to show, Mr. Speaker, in

Gen. Dockery speaking of Rail Road Improvements from New Hanover, decree for Plaintiff.

The Prospect.

We must confess that the information we have received from every quarter since the publication of our last issue has been far more cheering than anything we had received before or even anticipated.

We hear that in the Mountain District, Gen. Dock-

Those Handbills.

The Journal attempts to explain it for our gratification but signally fails.

oill appropriating \$140,000 for the improvement of the Cape Feer Bar, has passed the House of Representatives. That same morning within three or four hours after its arrival, hand bills operating to the prejudice of Gen. Dockery, and to the glorific tion of Mr. Ashe, are stricken off, "to the order s the Journal says, "of Democrats of Brunswick purposes. We do not understand it, and express doubts; whereupon the Journal explains after this fashion.

child de Horald seems at a foss to understand for his child day the news was received here. It says: "How the Democrats of Brunswick, thirty miles off, could hear of the passage of the Bill," but. Now, bless your heart, Brunswick is not thirty miles, nor three miles off. But did it never strike the Herald as possible, that Democrats of Brunswick night be in Wilmington at the time, as was netually the fact, and that one of them did actually and truly get the handleds and carry them to Brunswick county?"

Agreed-grant that some "Democrats of Brunswick" were in town at the time; and that one of carry them to Brunswick," what does all that prove them. That is, the handbills were given to him to be circulated; not that he directed so many copies to be stricken off. If the Journal will say that this Democrat who sook the documents over to Brans rick, or that the other Democrats who were so consiently in town "at the time," ordered these handbills to be stricken off, then we shall know what

Over idea of the affair is, that the bills were strick en off at the instance of Democrats here in town and given to a Brunswick Loco Foco, who happen-

hape of the losves and fishes! Comment is un-significat Gen. Pierce, "to order," and we improve estness and despatch, and on reasonable terms.

a Kail Road meeting was held at Clinton on the the proposed Convention, to be held in Kenans-

The following preamble and resolutions were

Whenever, We the citizens of Sampson purely. We the citizens of Sangeon county, of the importance of the proposed Road, lead-on Fayetteville to Beaufort Harbor; and feel-but such a road would not only prove of last-encit to the citizens of the counties through a said road would pass, but it will be a great a work, as thereby a port will be built up worsof our vast resources: Therefore be it. Resolved, That we heartily approve of the amplated Convention, proposed to be held at moville, on the 22d inst, for the purpose of furpor said scheme.
