NIJNE NOVGOROD FAIR,-The great market of the eastern world has been held at this junction of the Volga and Olga rivers in Russia, every summer for hundreds of years. Here the nations of Europe and Asia meet with their products for trade. Cossack, Chinese, Turk and Persian meet the German and the Greek with every variety of merchandise that mankind employs, from sapphires to grindstones, tea, opium, fur, food, too's and fabrics, and last but not least, medicines. J. C. \$2 75 per bbl. Ayer & Co.'s celebrated remedies from America were displayed in an elegant bazar where the Doctor himself might sometimes be seen. They are known and taken on steppes of Asia as well as the prairies of the west, and are an effectual antidote for the diseases that prevail in they acourts of the north as well as the buts and cabins of the western continent,-Lincoln (Illingis)

Remarkable Result.

It makes no difference how many Physicians, or how much medicine you have tried it is now an established fact that German Syrup is the only remedy which has given complete satisfaction in severe cases of Lung Diseases. It is true there are yet thousands of persons who are predisposed to Throat and Lung Affections, Consumption, Hemorrhages, Asthma, Severe Colds, Coughs, &c., who have no personal knowledge of Boschee's German Syrup. To such we would say that 50,000 dezen were sold last year without one complaint. Consumptives try just one bottle. Regular size 75 cents. Sold by all Druggist.

an Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a tions: burden instead of a pleasant existence Ordinary, of enjoyment and usefulness as it ought to be. There is no good reason for this if you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flowers. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all Druggists on the Western continent.

In our opinion some ordinance should be passed protective of young mocking birds. They are the finest singers with which nature has endowed our section, and are fast being exterminated by the boys who rob every nest they can find to sell the young. They are not half so abundant now as they were a few years ago, and it seems unwise to us that they should be annihilated, and poper measures to protect them should be taken .- Edenton Gazette.
