THE THIRD DISTRICT COM-MITTEE.

The following named gentlemen were appointed as members of the Executive Committee of the Third District, each being designated by those representing the several counties in the Convention: Brunswick-Joseph Spells.

Ex-Officio -Joseph C. Abbott. THE REPUBLICAN PLATFORM ADOPTED AT RALEIGH JULY

The Hon. R. C. Badger, chairman of the Committee on l'Intform and Resointions, reported from that committee

The Republicans of North Carolina, in Convention assembled, renew the pledges made in all their former platorms. And they declare as follows: I. That they cordially approve the nominations, recently made at Chicago, of James A., Garfield for President, and thester A. Arthur for Vice-President; and that they will most cheerfully and actively devote themselves to their election, as indispensable to the preserva tion of the Republican party, and of the Republic, in its integrity. And that they fully endorse the principles set forth in the platform, adopted by the Republican convention, which convened in the city of Chicago, on the 2nd

day of June 1880. 2 "hat they have seen, with great appreheusion and alarm, the rapid condidation and engrossment of our railread systems, by and under the control and ownership of foreign monopoliststhat such consolidation of capital gives power to the monopolists to oppress the labor of the country by unreasonable and unjust local tariffs and fares, and gives to then the power to control the legislative branch of govery ment, in the passige of laws in their interest, and winous to those of the people; and that they have seen with regret, that these monopolists are making an insidious invasion among the leaders of the Demecratic party, which culminated on the 17th day of June, in the engulfing and swallowing up of the whole Democratic State convention; and that while they have no desire or intention to make an minst war upon these monopolies, they mand that the Legislature shall pass laws to govern and control them, so that they shall not be permitted to discriminate against our own people and place a reasonable limit on local tariffs and fares.

3. That they view with auxiety the combition of the Western North Carolina Railroad, which, through the hot haste and ill considered contracts of the Democratic state administration, is surrounded by legal troubles, which afford no relief from taxation, and threaten to delay for a long time, if not altogether defeat, the completion of that work so necessary for the welfare and development of the state, and especially the western counties.

4. That the Republican party has always been the friend of education, and now again renews its pledge to the people of North Carolina to continue its public instruction.

5. That they recognize the mechanic and laborer as the bone and siecw of the land, and pledge themselves to protect their rights and promote their political, educational, and material inter-

6. That the recent constitutional amendments were passed by a convention which was not composed of a maority of elected delegates, and the control of which was stolen from the Republican majority, by an infamous and admitted fraud on the voters of Robeson county. This corruption, on the part of the Democracy, demonstrates the fact that their party will scruple at no violation of law in the interest of party upremacy; and that the Democratic party is not the friend of representative government or of the people.

. That the present system of county government in North Carolina is utterly subversive of the rights of the citizens; is the grossest political robbery ever practiced in this, or any civilized country, is the most damnable fraud ever devised or sanctioned by any political party, and calls for the unqualified confeunation of all who have the name of breemen, without regard to party affiliation. We claim the right of the people to elect every officer in the state, from the Chief Executive down to the humblest official, and demand that this right shall not be denied nor abridged; that an honest count shall follow a free ballot, and the majority shall determine who shall enact and administer its

8. They denounce the Democratic party as an oligarchy, controlled by railroad corporations and aristocratic ofluences, and if not arrested in its surse, it will overthrow the most chershed rights of the people The tenerncy to the concentration of dangerous powers, for private and corrupt ands, in the hands of a few, has re-cently manifested fiself in a vittal part of our State government, and in a way to excite the greatest apprehension. The Superintendent of Public Instruction, now endorsed by his party nomination, and without regard to the pop-ular wish, has demanded to have vested in his hand, that is in the hands of a ceutral board of which he should be the life, the absolute right of dictating what text books our children shall use, whereby he can mould the opinions of the rising generation; can strangle, for the benefit of personal or sectional raverites, all competition in local hierature, and open up for his office, is intimately connected with the reputar life and purity, a faithful and proliable source of corrupt jobbery. That they denounce the laws known as the landlord and tenant acts, as devised for the benefit of a few, to oppress the humble and defenceless citizen. That they denounce the present road laws of the state, as oppressive to the laborer, and demand their amendment, so that burdens of building and repairing them shall be borne more equality by all classes of the people.

CELEBRATED LIVER PILLS

FOR THE CURE OF

Hopatitis, or Liver Complaint, DYSPERSIA AND SICK HRADACHS.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure ; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stom-nch is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet exam-ination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLane's LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quisine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL. For all bilious derangements, and as a simple purgative, they are unequaled.

REWARE OF IMITATIONS. The genuine are never sugar coated. Every box has a red wax seal on the lid, with the impression Dr. McLANE's LIVER PILLS.

The genuine McLangs Lavan Pills bear the signatures of C. McLARE and ... FLEMING BROS. on the wrappers. Insist upon having the genuine Da. C. McLane's Liver Pills, prepared by Fleming Bros., of Pittsburgh, Pa., the market being full of imitations of the name McLaure, spelled differently but same pronunciation. 204 -
