WILMINGTON, N. C.,

SURDAY MORNING, APRIL 2918 83

Fox's Illustrated Week's Doings is the newest novelty in metropolitan journal-18m. It is the only illustrated Sunday paper in the country and, as far as we she purchased at the store. know, the first, If it is there never was a more creditable pioneer in journalgraphic in character, appropriate in se lection and superb in execution, and the literary contents of a high order of merit. The Referee discourses on sportmatters with authority. The dramatic world is reviewed with a snap and vigor by an "Insider," who evidently has a right to the name. And the Prowler recites the current sensations and scandals like a true man about town. The Illustrated Week's Doings has a career before it if Mr. Fox,s efficient management does not relax.

have their attention called this week to tions. the latest combination of improvements in that most useful of all domestic implements, the "sewing machine.

As we understand it, a machine for family use should meet first of all these requirements: It should be simple in should do a wide range of work; it of the day: should be as near noiseless as possible; it should be light, handsome, durable, and as cheap as is consistent with excellence throughout.

These conditions the "Light-Running New Home" certainly meets. It has also several very important and useful attachments and "notions" of its own, which go far to make good its claims to popular favor.

Now a great many families have been and are still using the old machines-waiting for the time to improve; waiting for the latest improvements in designs and mechanical ex-
