The Usual Result.

It is not to be denied that a good sewing machine is one of the most important appearances of the modern household.

We thought we had a good machine in our household until one day the agent of the New Home presented himself at our door and proceeded to deliver an oration upon its characteristic merits.

"But," we answered, "our machine serves us nicely and suits us well, and we do not care for another."

The agent, however, begged the privilege of leaving one of his machines with us, "for the ladies to try." The request was not unreasonable, so we granted it—but more to oblige the agent than anything else; for we really did not want the machine, and had not the remotest idea of buying it.

The machine once in the house, it was natural that the ladies should look it over, they did so, and as a consequence fell in love with it. They say that without the slightest wish to deprecate or disparage any other machine, this, all things considered, is, in their opinion, the most desirable one to be had.

The upshot of the whole matter was that the old machine was disposed of, and the "Light-Running New Home" installed in our household. It is pronounced a genuine beauty and a real comfort, and "our folks" wanted us to tell other folks about it.

This unrivalled machine is manufactured by the NEW HOME SEWING MACHINE CO., 30 Union Square, New York, who wish us to say that all who will send for their new illustrated catalogue and enclose their advertisement (printed on another page), will receive a set of fancy advertising novelties, of value to those collecting cards, &c.

Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's SOOTHING SYRUP FOR CHILDREN TEETHING. Its value is incalculable. It will relieve the poor little sufferer immediately.

Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's SOOTHING SYRUP FOR CHILDREN TEETHING is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. 17

"A colic," said the Irishman, "is the place where a man lives when he is dead."

The Egyptian obelisk in New York can't endure our climate, and is to be enclosed in glass!
