

SPECIAL NOTICES.
NOTICE.

IN view of the fact of the withdrawal of colored men from our Fire Department, and the increased stocks of Government Stores, public and private in our City, together with the increasing population, all of which increases the risk of loss by fire: I propose and by order of the General in Command, to reorganise the Department and therefore call for Volunteers to man the different Engines of the Department. Every effort and expense will now be made to make it efficient, and therefore require names to be handed me promptly, that action may be made immediately.
