GENERAL ORDERS, No. 3.

I. Provost Marshals in this Department will administer the oath of allegiance to such persons as come within the provisions of the Amnesty Proclamation of the President of the United States, provided they are satisfied that such persons desire in good faith to aid in restoring the national authority and that they take the oath of allegiance cheerfully and voluntarily.

II. Reports will be made weekly to the Provost Marshal General, giving the name, age, and place of residence of every person who shall have subscribed to the oath of allegiance,—also of all other adult white persons residing within the jurisdiction of each Provost Marshal, together with such information as can be obtained touching the character and conduct of each individual.

III. IV. Officers authorized by law to appoint General Courts Martial are empowered to appoint Military Commissions, and to confirm and execute the sentences of such Commissions, with the same limitations as in the case of General Courts Martial.

None but persons of undoubted loyalty and good character will be permitted to trade within the limits of the Department.

Intercourse between towns occupied by the army and the surrounding country within the lines of military occupation, will be permitted, under regulations to be established by the Provost Marshal General, for the purpose of enabling the inhabitants to supply themselves with the necessaries of life.
