MAYOR'S COURT.—Martha Ann Thompson, Mary Ann Thompson and Jane Moore were arraigned yesterday morning before the Mayor on a charge of disturbing the peace. The evidence against them being conclusive, they were ordered to vacate the neighborhood they now occupy.

Why do Baer and Eppler sell Clothing so cheap? Because they Manufacture them here, and consequently save freight and the large profits made by wholesale clothing houses in the North.

Nason & Foster, Insurance Agents. THE HORSE TAMER.—We failed at the proper time to notice the receipt of the handsome picture of the boy U. S. Grant "Teaching Dave to Pace," that accompanied the last number of Frank Leslie's Illustrated Newspaper. We received ours from Hall & West, who, we believe, have more still left. Go and see them.

The Political Gehenna. Mr. Abraham Parker, of Potsdam, St. Lawrence county, N. Y., a war democrat, and now State Senator, recently made the following description of the democratic party: "The democratic party was false to its history, false to its duties, false to the American people and to the human race. It wantonly and brutally threw its vast weight upon a weak and defenceless people struggling into manhood; it created, organized and sustained the rebellion; it became degraded, defeated and disgraced; its followers are even now seeking to escape the infamy that envelops them as a cloud, by flourishing a new banner and answering to a strange name: it bears the curse of thousands upon thousands of the slain, and is hated and detested by loyal millions; the grave will not cover it, oblivion will not hide it, mankind will not forget it;—it is the political Gehenna of the world."—N. Y. Post.

FRANK BLAIR STIKES TO HIS TEXT. In a speech in Pennsylvania, the other day, he said: "The Radicals use a letter which I wrote some time since, in which I advised Mr. Seymour not to enforce certain acts of the Rump Congress which have been repealed and voided by the Supreme Court. For which I have been denounced as a revolutionist. A revolutionist indeed! Why, I should not only have the President to enforce these unconstitutional measures, but prevent others from enforcing them."

"The Debt! the Debt! Taxes!" is still the senseless shout of the Seymour presses and orators. But how careful are they to conceal from the people that every dollar of this debt was incurred and every cent of these taxes has been imposed in consequence of a wicked rebellion, headed by the very men they are seeking to restore to power.—Phil. Press.

Call you this "Economy?" The debt of the United States in 1867 was about \$29,000,000. In 1860 it was \$60,000,000. This under the Democratic administration of James Buchanan—an increase in time of profound peace, equal to \$150,000 every week. There's Democratic economy for you!

ULYSSES S. GRANT bared his breast to rebel bullets. Horatio Seymour opened his heart to rebel cheers. Who deserves honor from loyal men?—Standard.

REGISTER! REGISTER!! You Cannot Vote Without Registering! The fact of your being registered at the last election, will do no good at the coming election.

BEAR THIS IN MIND. No person can vote on the 3d of November unless he is registered again, between the 15th of October and election day. The Ward and County Committees should see to it, that every qualified voter has his name registered on the voting list.

REGISTER! REGISTER!! There is to be but ONE DAY FOR VOTING; in many precincts the polls will be crowded; the swearing of voters on election day will do nothing that many electors will not be able to reach the boxes.

BY ALL MEANS LET THE REGISTRATION BE COMPLETED PREVIOUS TO ELECTION DAY. Register! Register! No man can vote unless he first registers. See acts General Assembly, ratified August 24th, 1868.

IF YOU neglect to Register, you cannot vote on the 3d of November, 1868, for the next President of the United States.

YOUR having once registered and voted will not give you the right to vote now, unless you register again. Therefore let all come forward, without delay, and REGISTER.

Having been appointed to Register the Voters in the 1st Registration District, embracing the 1st and 3d Wards in this city, I hereby give notice to all interested, that I will attend at my office, on Broad street, on the 15th, 16th, and 17th days of present month, (October), for the purpose of giving to all voters an opportunity to REGISTER.

I will, at the same time and place, enroll all able bodied male citizens living in said 3d and 4th Wards, who are liable to Militia duty. See General Orders, No. 1, from Colonel commanding Craven county, dated 7th October, 1868; also, General Orders No. 6, from Adjutant General's office in Raleigh, dated 26th Sept., 1868.

R. J. BERRY, New Bern, N. C., Oct. 9, 1868. Oct. 11—17

REGISTER! REGISTER!! Having been appointed to Register the Voters in the 1st Registration District, embracing the 1st and 3d Wards in this city, I hereby give notice to all interested, that I will attend at my store, on Middle street, near the Market, from the 15th inst., until the day of election, for the purpose of giving to all voters an opportunity to Register.

I will, at the same time and place, enroll all able bodied male citizens living in said 1st and 3d Wards, who are liable to Militia duty. See General Orders, No. 1, from Colonel commanding Craven county, dated 7th October, 1868; also, General Orders No. 6, from Adjutant General's office in Raleigh, dated 26th Sept., 1868.

GEO. C. RIXFORD, Oct. 13—17

REGISTER! REGISTER!! If you neglect to Register, you cannot vote on the 3d of November, 1868, for the next President of the United States.

YOUR having once registered and voted, will not give you the right to vote now, unless you register again. Therefore let all come forward and REGISTER without delay. Having been appointed to Register the voters in the 4th Registration District, embracing the 6th and 7th Wards in this city, I hereby give notice that I will open the books for Registration, on the 15th instant, at my office on Queen street, for the purpose of giving all voters an opportunity to Register. The books for Registration will be kept open until the 3d day of November next.

ONE DAY FOR ELECTION. In addition to the speakers calling the attention of voters to the urgent necessity of registration, let the important fact, also, that (at the coming election) there will only be ONE DAY FOR VOTING, be made known far and near. The third of November, Tuesday, is the day.

A law of Congress fixes this matter. The chief object in having the election one day, is to prevent frauds and double voting, by going from one State to another. Remember, colored men, especially, that one day only is given for this election. Do not be deceived on this subject. Give one day to your Country, and all will be well.

Brick Pomeroy, during his recent speech by Watkins N. Y., facetiously called for "three cheers for Grant and Colfax." A dozen Republicans responded, and the Democrats present, supposing it to be all orthodox, followed suit. "Red-Hot" cooled in an instant.

The most successful publication of the day—the Democratic campaign picture of "Seymour at Home." It presents Horatio in the most pleasing attitude, and will be subscribed to by a million or two of voters.

It is said that the true reason why the Court of impeachment would not turn President Johnson out, is that when he was inaugurated he went in so tight.

The Zanesville Courier says: Chief Justice Chase has written a letter to a friend in that city, in which he strongly urges the claims of Grant and Colfax, and avows himself strongly in favor of their election.

The Lost Cause will triumph in Seymour's election, about the rebels paroled by General Grant. Shall Grant's vanquished prisoners capture him now, while they are still under parole?—Standard.
