REGISTER! REGISTER!! You Cannot Vote Without Registering! The fact of your being registered at the last election, will do no good at the coming election.

BEAR THIS IN MIND. No person can vote on the 3d of November unless he be registered again, between the 15th of October and election day. The Ward and County Committees should see to it, that every qualified voter has his name registered on the voting list.

Registration books are to be opened in the precincts of all the counties on the 15th day of October, and continue open until the day of Presidential election on the 3d day of November.
