Do not put off Registering!

THE CITY has been remarkably quiet for several days. Criminal offenders are becoming scarce. There has not been a Mayor's Court held for several days. We hope such may long continue to be the case.

ANOTHER CARPET BAG ENTERPRISE.—Messrs. Stimson & Co., of Maine, (if we are rightly informed,) are erecting just above the Railroad Warehouse, a splendid steam saw mill. The mill, when completed, will, without a doubt, be one of the finest in the State. There will be two circular saws run, one on the lower, and one on the upper floor. The gentlemen building this mill evidently mean business, as they are now buying and laying in a large lot of timber. Although not near ready to run, they have already purchased and have on hand, 300,000 feet of lumber. In addition these gentlemen propose to build a wharf, in connection with the mill, where they can load vessels with lumber. Come on, carpet baggers, and while the ex-Confederate officers are growling about the lost cause, and fretting and frowning about Othello's lost occupation, bide and assist in making North Carolina what she should be, one of the most enterprising States of the Union.

WANTED 300,000 MORE. THE CITY has been remarkably quiet for several days. Criminal offenders are becoming scarce. There has not been a Mayor's Court held for several days. We hope such may long continue to be the case.

COTTON.—The cry is, still it comes. We are informed by a gentleman who was acquainted with the fact, that there was at least \$50,000 worth of cotton in our market yesterday, and the whole was bought up in a little while by eager purchasers. Who says money is scarce? Just bring along your cotton and see.

Great reduction in the price of Photographs at MORGAN'S Gallery.

Register at Once!

U. S. District Court.—The U. S. District Court will open at Lowthrop's Hall on Monday, Oct. 26th, his Honor Geo. W. Brooks presiding. Several matters pertaining to bankruptcy will occupy the attention of the Court. We learn that there are several criminal cases to come before this Court. We may look for an interesting session.

Nason & Foster, Insurance Agents. Great sacrifice of Ladies' Dress Goods and Trimmings, to close them out at BAER & EPLER'S, Pollok street.

Just Look at Merwin's advertisement. Notice what he keeps on hand. Merwin advertises the most varied stock to be found in New Bern. We can assure our readers that Merwin's prices are as reasonable as any in the city, and the stock for quality or size, is unsurpassed.

S. T. JONES & Co.—We call the attention of our cotton growers and farmers generally, to the advertisement of this enterprising Banking House. If you need anything in their way go and see them.

Cheerful Messrs. Young & Brother of the People's market, have on hand a splendid article of pure Northern apple cider. The lovers of this splendid and harmless beverage, would do well to call on the Messrs. Youngs and try it.

Why do Baer and Eppler sell Clothing so cheap? Because they manufacture them here, and consequently save freight and the large profits made by wholesale clothing houses in the North.

Do not put off Registering!

Generals Laffin and Brogden passed through our city last evening, on their way to Beaufort, where they will address the citizens on Monday on the all absorbing question of the day, politics.

AN EYE Sore.—That dirty old rag, hanging on the corner of Pollok and Craven streets, is a perfect eye sore to the community. When it was first put up it was a comparatively decent looking affair, but it has been up there so long, and become so dingy, that one would suppose the parties who put it up would, ere this, have become ashamed of it, and taken it down, for the purpose of giving it a good washing. It needs it bad enough. But perhaps there are reasons why it should not be washed. The colors might run, and they would be without their 'champions' names. If such is the reason, we would say to them, don't be afraid, it won't make much difference. They will be completely washed out on the 8th of November, and in the interim it is much better to have a clean white rag flaunting in the breeze, than the dirty old thing that now offends the eyes of our citizens.

We cry take it down and wash it!

RAIL ROAD ACCIDENT.—The up passenger train from Wilmington yesterday morning ran off the track at Magnolia, in consequence of the displacement of the switch. The engine and two cars were very badly damaged. No person seriously hurt.

Geo. W. Nason, Jr., Gen'l. Ins. Agt. INTERESTS RESPECT N. C. MILITIA.—We learn that the following are the Field officers of the 16th Regiment, N. C. Militia: Col. Wm. H. S. Sweet, Lieut. Col. R. T. Berry; Major, Chas. Hibbard; Adjutant, Robt. Hancock, Jr.
