Tux Exhibition, given by the scholars at tending the day school in the Congregational Chapel, has Thursday evening, gave so much sat'sfaction to those who attended it, that, at the carnest solicitation of many friends who were unable to be present on account of previous regagements, it has been decided to repent it on Wednesday evening next. We can assure those of our renders who are at all interested to school matters, that the exercises of this exhibition are well worthy of their attention. We had never attended a school exhibdison in this city before, and we were surprispd and pleased at the evident ability displayed in the recitations, colloquies and tableaux. There were no failures, and but few mistakes could be noticed even by a critical observer. From W. P. Heald, Esq., Eanger, Maine.
Banon, Maine, Upril 14 .868.
I hereby certify, that I have used Tobacce at thirty years past, and for the last fifteen years—are used two pounds per mouth. I have made atte quts to leave off at different times. I have left off sus years at time, but always continued to hanker for it fill I used Orton's Preparation, which has completely cured me of the appetite for Tobacco. I would recommend all who are afflicted with this terrible habit, to try the Preparation which will certainly cure if the directions are followed.

W. P. HEALD.

From E. W. Atkins, Knoxville, Menn.

KNoxville, Tenh., August 5th, 1967,
This is to certify, that I had eased Tobacco to such an extent that my health had become greatly impaired, and my whole system derauged and broken down. In Jane, 1987, I purchased one box of Orton's Preparation, and after using it I found that I was completely cured. I have not had any desire or hankering for Tobacco since using the preparation. I believe it to be all that it is recommended, and I would advise all who wish to quit the use of Tobacco, to try one box of Orton's Preparation.

E. W. ATKINS.

From John Morrill, Bangor, Maine.

This is to certify, that I used Tobacco for eighteen years; have tried many times to break off, but have suffered so much from a diszinces in my head, and a gnawing in my stomach that I have soon given up the trial A short time since a friend induced me to try Orton's Preparation, [sold by you, I have done so and an completely cured. I did not in the least hanker after Tobacco, either to smoke or chew, after I began to use the Preparation.
