## The New Berne Republican.

NEW BERNE, OCTOBER 15, 1868

Frank P. Blair's War Policy.

It is well enough to keep the war-like letter of FRANK P. BLAIR before the people. Democratic papers have become frightened at the startling propositions it cortains, and hence they suppress it. They dare not keep it before the eyes, even of their friends, and yet it is the real basis of the Democratic Platform. Being written and placed before the Convention when it asse bled, it, and nothing else, secured Blair's nomination Read, reflect, and then act at the polls.

DEAR COLONEL;—In reply to your inquires I beg leave to say that I leave to you to determine, on consultation with my friends from Missouri, whether my name shall be presented to the Democratic Convention, and to submit the following, as what I consider the real and only issue in this contest:

The reconstruction policy of the Radicals will be complete before the next election; the States so long excluded will have been admitted; negro suffrage established and the carpet-baggers installed in their sea's in both branches of Congress. There is no possibility of changing the political character of the Senate, even if the Democrats should elect their President, and a majority of the popular branch of Congress. We cannot, therefore, undo the Radical plan of reconstruction by Congressional action: the Senate will continue a bar to its repeal. Must we submit to it? How can it be overthrown? It can only be overthrown by the authority of the constitution to perish under a series of Congressional enactments which are in palpable violation of its fundamental principles.

If the President elected by the Democracy enforces or permits others to enforce these reconstruction acts, the Radicals by the accession of twenty spurious Senators and fifty Representatives will control both branches of Congress, and his Administration will be as powerless as the present one of Mr. Johnson.

as the present one of Mr. Johnson. There is BUT ONE WAY TO RESTORE THE GOV-ERNMENT AND THE CONSTITUTION AND THAT ARMY TO UNDO ITS USURPATIONS AT THE SOUTH, DISPERSE THE CARPET-BAG STATE GOVERNMENTS, allow the white people TO REOR-GANIZE THEIR OWN GOVERNMENTS, AND VIII. We profoundly deplore the untime-ELECT SENATORS AND REPRESENTATIVES. The House of Representatives will contain a majority of Democrats from the North, and they will admit the Representatives elected by the people of the South, and with co-operation of the President it will not be difficult TO COMPEL THE SENATE TO SUBMIT ONCE MORE TO THE obligations of the Constitution. It

will not be able to withstand the public judgement, if distinctly invoked and clearly expressed on this fundamental issue, and it is the sure way to avoid all fu fure strife to put the issue plaint to the country.

I repeat THAT THIS IS THE REAL AND ONLY QUESTION WHICH WE SHOULD ALLOW TO CONTROL TO THE SHOULD ALLOW TO THE SHOU ROL US. Shall we submit to the usurpations by which the Government has been overthrown, or shall we exert ourselves for its full and complete restoration? It is idle to talk of bonds, greenbacks, gold, the public faith, and the public credit. What can a Democratic President do in regard to any of these, with a Congress in both branches controlled by the carpet-baggers and their allies? He will be powerless to stop the supplies by which idle negroes are organized into political clubs—by which an army is maintained to protect the vagabon's in their outrage upon the ballot. These, and things like these, eat up the revenue and resources of the Government and destroy its credit--make the diference between gold and greenbacks. We must restore PLE BY TRAMPLING UNDER DUST THE USUR-PATION OF CONGRESS, KNOWN AS THE RE-CONSTRUCTION ACTS. TWISH TO STAND BE-FORE THE CONVENTION UPON THIS ISSUE. BUT IT IS ONE WHICH EMBRACES EVERY THING ELSE THAT IS OF VALUE IN ITS LARGE AND COMPREHENSIVE RESULTS. It is the ONE THING THAT INCLUDES ALL THAT IS WORTH contest, and without it there is nothing that gives dignity, honor, or value to the struggle Your friend

COLONEL O. BROADHEAD.

#### OUR PLATFORM

I. We congratulate the country on the assured success of the reconstruction policy of Congress, as evinced by the adoption, in the majority of the States lately in rebellion, of constitutions securing equal civil and political rights to all, and it is the duty of the Government to sustain these institutions and to prevent the people of such States from being readmitted to a state of anarchy.

II. The guarantee by Congress of equal suffrage to all loyal men at the South was demanded by every consideration of public safety, of gratitude, and of justice, and must be maintained; while the question of suffrage in all the loyal States properly belongs to the people of those States.

ple of those States.
III. We denounce all forms of repudiation

as a national crime; and the national honor requires the payment of the public indebtedness in the uttermost good faith to all creditors at home and abroad, not only according to the letter but the spirit of the laws under which it was contracted.

IV. It is due to the labor of the nation that taxation should be equalized and reduced as rapidly as the national faith will permit. V. The national debt, contracted as it has been for the preservation of the Union for all time to come, should be extended over a fair period for redemption; and it is the duty of Congress to reduce the rate of interest thereon whenever it can be honestly done.

VI. That the best policy to diminish our burden of debt is to so improve our credit that capitalists will seek to loan us money at lower rates of interest than we now pay, and must continue to pay so long as repudiation, partial or total, open or covert, is threatened or

turn postage.

Information as to price of land in any portion of the State, or upon any other subject of interest to parties proposing to imigrate, will be cheerfully furnished up on receipt of stamps for postage.

VIII. We profoundly deplore the uni ly and tragic death of Abraham Lincoln, and regret the accession to the Presidency of Andrew Johnson, who has acted treacherously to the people who elected him and the cause he was pledged to support; who has usurped high legislative and judicial functions; who has refused to execute the laws; who has used his high office to induce other officers to ignore and violate the laws; who has, employed his executive powers to render insecure the property, the peace, liberty and life, of the citizen; who has abused the pardoning power; who has denounced the National Legislature as unconstitutional; who has persistently and corruptly resisted, by every means in his power, every proper attempt at the re-construction of the States lately in rebellion; who has perverted the public patronage into an engine of wholesale corruption; and who has been justly impeached for high crimes and misdemeanors, and properly pronounced guilty thereof by the votes of thirty-five Sen-

IX. The Doctrine of Great Britian and other European powers, that because a man is once a subject he is always so, must be resisted at every hazard by the United States, as a relie of feudal times, not authorized by the laws of nations, and at war with our national honor and independence. Naturalized citizens are entitled to protection in all their rights of citizenship, as though they were native-born; and no citizen of the United States, native or naturalized, must be liable to arrest and imprisonment by any foreign power for acts done or words spoken in this country; and if so arrested and imprisoned, it is the duty of the Government to interfere in his behalf.

X. Of all who were faithful in the trials of of this State because of the vote such the late war, there were none entitled to more especial honor than the brave soldiers and scamen who endured the hardships of campaign and cruise, and imperilled their lives in the service of the country; the bounties and pensions provided by the laws for these brave defenders of the nation are obligations never to be forgotten; the widows and orphans of the gallant dead are the wards of the people -a sacred legacy, bequeathed to the nation's protecting care.

XI. Foreign immigration, which in the past has added so much to the wealth, development, and resources and increase of power to this Republic, the asylum of the oppressed of all nations, should be fostered and encouraged by a liberal and just policy.

XII. This convention declares itself in sympathy with all oppressed peoples struggling for their rights.
On motion of Carl Shurz, the following two

planks were added by a unanimous vote: Resolved, that we highly commend the spirit of magnanimity and forbearance with which men who have served in the rebellion but who now frankly and honestly co-operate with us in restoring the peace of the country and reconstructing the Southern State governmets upon the basis of Impartial Justice and Equal Rights, are received back into the communion of the loyal people; and we favor the removal of the disqualifications and restrictions imposed upon the late rebels in

ciples laid down in the immortal Declaration of Independenc as the true foundation of democratic government; and we hail with gladness every effort toward making these principles a living reality on every inch of American soil.
