Wassingroup, June 20, 1888 DEAR COLOREL;—In reply to your inquires i beg have to say that I leave to you to determine, on consultation with my friends from Missouri, whether my name shall be presented to the Democratic Convention, and to submit the following, as what I consider the real and only the following, as what I consider the real and only the following, as what I consider the real and only the following as what I consider the real and only the following as what I consider the real and only the following as what I consider the real and only the following as what I consider the real and only the following as what I consider the real and only the following as what I consider the following excluded will have been admitted; negro suffrage established and the carpet-baggers installed in their sea; in both branches of Congress. There is no possibility of charge the political districtor of the Senate, even if the Democrats should elect their President, and a majority of the popular branch of Congress. We cannot therefore, undo the Radical plan of reconstruction by Congressional action; the Senate will continue a bar to its report. Must we submit to it! How can it be overthrown? It can only be overthrown by the authority of the Exercitive, who will fail to do his duty if he allows the Constitution to perish under a series of Congressional enactments which are in palpable violation of its fundamental principles.

If the President alected by the Domocrate is the fundamental principles.

sional enactments which are in palpable violation of its fundamental principles.

If the President elected by the Democracy enforces or permits others to enforce chese reconstruction acts, the Radicals by the accession of twenty spurious Senators and fifty Representatives will control both branches of Congress, and his Administration will be as powerless as the present one of Mr. Johnson.

There is BUT ONE WAY TO RESTORE THE GOVERNMENT AND THE CONSTITUTION AND THAT IS FOR THE PRESIDENT BLECT TO DECLARE IS FOR THE PRESIDENT BLECT TO DECLAR THESE ACTS NULL AND VOID, COMPEL TH ARMY TO UNDO ITS USURPATIONS AT THE SOUTH, DISPERSE THE CARPET-BAG STATE GOVERNMENTS, allow the white people TO REORGANIZE THEIR OWN GOVERNMENTS, AND ELECT SENATORS AND REPRESENTATIVES.— The House of Representatives will contain a majority of Democrats from the North, and they will admit the Representatives elected by the people of the South, and distinctly invoked and clearly expressed on this funda-mental issue, and it is the sure way to avoid all in ture

strife to put the issue plainly to the country.

I repeat THAT THIS IS THE REAL AND ONLY QUESTION WHICH WE SHOULD ALLOW TO CONTROL US. Shall we submit to the usurpations by which the Government has been overthrown, or shall we exert ourselves for its full and complete restoration? It is idle to talk of bonds, greenbacks, gold, the public faith, and the public credit. What can a Democratic President do in record to any of these, with a Congress. President do in regard to any of these, with a Congress in both branches controlled by the carpet-baggers and their ellies? He will be powerless to stop the supplies by which idle negroes are organized into political clubs—by which an army is maintained to protect the vagabonds in their outrage upon the ballot. These, and things like these, eat up the revenue and resources of the Government and destroy its credit—make the difference between gold and greenbacks. We must restore the Constitution before we can restore the finances. the Constitution before we can restore the finances.— AND TO DO THIS WE MUST HAVE A PRESIDENT WHO WILL EXECUTE THE WILL OF THE PEO-PLE BY TRAMPLING UNDER DUST THE USUR-PATION OF CONGRESS, KNOWN AS THE RE-CONSTRUCTION ACTS. I WISH TO STAND BE-FORE THE CONVENTION UPON THIS ISSUE.— BUT IT IS ONE WHICH EMBRACES EVERY THING ELSE THAT IS OF VALUE IN ITS LARGE AND COMPREHENSIVE RESULTS. It is the ONE THING THAT INCLUDES ALL THAT IS WORTH

a contest, and without it there is nothing that gives dignity, honor, or value to the struggle.

On the Desperate Fortunes of the Democracy The following is from the leading article in the National Intelligeneer of Friday.

Since the result of the October elections was ascertained we have been overwhelmed with interrogatories by our friends in almost every part of the country, asking us; "What shall we do to be saved?"

We deemed it our duty to respond frank ly. It would be a base betrayal of the trust reposed in us if we should attempt to deceive those who look confidently to us for the truth, and by holding out false promises lead them on to a cheerlees and disastrous defeat, merely to show our courage and try their pluck.

We, too, shall fight on to the end against the excesses of the Radical party and in behalf of the Conservative masses of our countrymen; but when solemnly appealed to by them to know "what shall we do to be saved, we cannot, dare not, will not delibertately lie to them, and tell them that all is well, when we are convinced that all is not well. We cannot promise them a victory where all foresee

You Cannot Vote Without Registering!

The fact of your being registered at the last election, will do no good at the coming election.

BEAR THIS IN MIND. No person can vote on the 3d of November unless he be registered again, between the 15th of October and election day. The Ward and County Committees should see to it, that every qualified voter has his name registered on the voting list.—Republican Speakers should call the attention of their hearers to the importance of the subject.

Registration books are to be opened in the precincts of all the counties on the 15th day of October, and contidue open until the day of Presidential election on the 3d day of November. A prompt and thorough registration will greatly facilitate the business of voting, and will contribute to the polling of a full vote.

There is to be but one Day you Voting; in many precincts the polls will be crowded; the swearing of voters on election day will so delay voting that many electors will not be able to reach the boxes.

Of all who were faithful in the trials of the late war, there were none entitled to more especial honor than the brave soldiers and scamen who endured the hardships of campaign and cruise, and imperilled their lives in the service of the country; the bounties and pensions provided by the laws for these brave defenders of the nation are obligations never to be forgotten; the widows and orphans of the gallant dead are the wards of the people—a sacred legacy, bequeathed to the nation's protecting care. protecting care.

democratic government; and we hall with gladness every effort toward making these principles a living reality on every inch of American soil.
