Ayer's Sarsaparilla

A compound remedy, designed to be the most effective Alterative that can be made. It is a concentrated extract of Pure Sarsaparilla, as combined with other substances of still greater alterative power.

This compound will be found a great promoter of health, when taken in the spring, to expel the first humors which enter in the blood at that season of the year.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it.

During late years the public have been misled by large bodies, pretending to give a quart of Extract of Sarsaparilla for one dollar.

PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS.

Ayer's Cherry Pectoral has been for itself such a success for the cure of every variety of Croup and Long Cough, that it is entirely unnecessary for us to repeat the evidence of its virtues.
